

# 2024-25 Unified Planning Work Program

JPACT, April 18, 2024

John Mermin, Senior Transportation Planner

# What is the UPWP

- Annual federally-required document that ensures efficient use of federal planning funds
- Describes:
  - Transportation planning tasks
  - Relationship to other planning activities in the region
  - Budget summaries

# What the UPWP isn't

- Not a regional policy making document
- Not a funding decision document, does not allocate funds
- No construction, design, or preliminary engineering
- Only includes transportation planning project of regional significance, upcoming fiscal year, primarily federally funded

# Document Organization

## Introduction

1. Metro led Regionwide Planning
2. Metro led Corridor/Area Planning
3. Metro Administration & Support
4. State led Planning of Regional Significance
5. Locally led Planning of Regional Significance
