Presenters: Gabriela Perez, Senior Transportation Planner, and Blake Perez, Associate Transportation Planner (Metro)

Contact for this worksheet/presentation: Gabriela Lopez, Senior Transportation Planner, gabriela.lopez@oregonmetro.gov

Purpose/Objective

JPACT to consider action to recommend approval of Resolution 26-5587 to the Metro Council to adopt the 2027-30 Metropolitan Transportation Improvement Program (MTIP) for the Portland Metropolitan Area, as stated within Exhibits A, B and C.

Outcome

Adoption of this resolution is necessary for transportation projects and programs identified in the 2027-2030 MTIP, listed in Exhibit C – Programming Tables, to access federal funds for reimbursement for eligible project costs.

A delay in adopting the 2027-2030 MTIP can delay the ability of transportation projects and programs to move forward. If JPACT and the Metro Council elect to not act, transportation projects and programs scheduled to receive federal transportation funding or in need of a federal approval, will not be able to move forward starting in federal fiscal year 2027.

What has changed since JPACT last considered this issue/item?

JPACT last considered this item at the March 19, 2026 meeting when staff provided a short summary of the 2027-30 MTIP Public Review Draft and announced a 30-day public comment period that opened on Monday, March 9, 2026, and closed on Thursday, April 9, 2026. The March 19, 2026, meeting allocated time for a public hearing for members of the public to provide comment directly to JPACT on the 2027-30 MTIP.

Since March, Metro staff have prepared a public comment report. (See Exhibit B, Appendix V) Metro staff have also made final revisions to the 2027-30 MTIP in preparation to request TPAC and JPACT approval and Metro Council adoption.

TPAC voted unanimously to recommend approval to JPACT at its June 5, 2026 meeting.
