

Exhibit A to Resolution 26-5578

Large Scale Community Visions funding recommendations to the Metro Council

Total award amount recommended: \$8 million

Project: Working Theory Farm Project

Recipient: Working Theory Farm

Amount: \$3,000,000

Summary: This project will acquire working farmland, protecting an invaluable 'farm park' for habitat, nature access, and active community programs in rapidly urbanizing South Hillsboro. .

Project: Kelly Creek Dam Removal and Restoration

Recipient: Mt. Hood Community College

Amount: \$2,500,000

Summary: This project will replace a dam with a bridge to reconnect habitat, improve water quality, expand access to nature through an accessible trail, and provide workforce training opportunities.

Project: Ash Creek Nature Link: A Metzger Community Greenway

Recipient: City of Tigard

Amount: \$1,500,000

Summary: This project will expand public green space, restore wetlands, and improve walking and biking connections to affordable housing, jobs, and regional destinations.

Project: East Portland Nature Center

Recipient: Bird Alliance of Oregon

Amount: \$1,000,000

Summary: This project will transform a former brownfield into a community-designed nature park with improved transit access, trails, and habitat that strengthens neighborhood connectivity and climate resilience.
