STAFF RECOMMENDATIONS

Staff recommends that Council adopt the Federal Legislative Agenda for the 119th Congress.

STRATEGIC CONTEXT & FRAMING COUNCIL DISCUSSION

Federal Election Outcomes

The 119th Congress (January 2025 – December 2026) is led by Republicans. Donald Trump was elected President and J.D. Vance is Vice President. Republicans won narrow

majorities in both the House of Representatives and Senate during the November 2024 election. This is a large shift in leadership from the prior Congress in which Democrats controlled the Senate, Republicans controlled the House of Representatives, and a Democrat served in the White House.

In addition to the political shift in D.C. leadership, there have been large changes to the Congressional delegation representing the Portland metro region. After representing Oregon's third Congressional district for 29 years, Earl Blumenauer retired from the House of Representatives. Former State Representative Maxine Dexter was elected to fill his seat and represent the Portland and Mount Hood area. Additionally, former State Representative Janelle Bynum replaced Lori Chavez Deremer to represent Oregon's 5th Congressional District in D.C.

After losing her re-election bid, Lori Chavez Deremer has been confirmed by the Senate to serve on President Trump's cabinet as the Labor Secretary. She is the first Oregonian to hold a cabinet position since 1979 when former Portland Mayor Neil Goldschmidt served as President Carter's secretary of transportation.

White House and Republican Priorities

With their leadership trifecta, President Trump and the Republican Party are prioritizing a wide swath of policy efforts related to:

- Immigration: securing U.S. borders, deporting undocumented people, and suspending refugee resettlement
- Taxes: extending the 2017 tax package permanently and repealing clean energy tax credits
- Trade: imposing tariffs on imports from China, Mexico, Canada and other countries
- Energy / Climate: expanding oil and gas drilling, ending renewable energy leasing, eliminating energy efficiency requirements, and weakening environmental protections and permitting requirements
- Spending: establishing a new government office (the Department of Government Efficiency) to target "waste, fraud, and abuse" in federal funding, eliminating federal agencies

Republicans will have to navigate very narrow margins to advance their legislative priorities. There are a few must-pass bills given upcoming expirations, including the 2017 tax bill provisions and the Farm Bill, both of which expire in September 2025. They will also need to reauthorize a surface transportation bill before the Bipartisan Infrastructure Law expires in September 2026.

NEXT STEPS

After adoption, staff may return to Council to provide updates or make amendments to the legislative agenda. This agenda will go through another cycle of full review and update when the next Congress is seated in January 2027.

BACKGROUND

Metro's legislative agenda setting process is iterative. Staff has met with Metro Councilors, departmental leadership, and jurisdictional partners to share respective initial priorities and learn what partners are pursuing. Staff also met with Metro's contract lobbyist, Summit Strategies, to discuss what is on the horizon in D.C. Council had a work session on the draft federal legislative agenda on April 17th, 2025. Staff has incorporated that feedback into the final version that is being considered for adoption during the May 1st Council meeting.
