

Metro:

Under statute, Metro must return the attached form to Multnomah County Elections no later than July 6, 2026.

[ORS 255.295](#) requires Multnomah County Elections to send your district the official abstract of the votes cast in Metro contests for the May 19, 2026 Primary Election. Metro must canvass (carefully review) the official abstracts, confirm which candidates received the most votes, and verify that those candidates are qualified to hold the offices to which they have been elected. Metro must affirm the results of the election in writing to Multnomah County Elections for us to issue certificates of election for the winners.

The person(s) authorized by Metro must complete and return the form on the following page to Multnomah County Elections. Email a scanned copy of the form to Kali Odell at kali.odell@multco.us or mail it to Multnomah County Elections at 1040 SE Morrison St., Portland, OR 97214.

Elected officials cannot take office until the certificates of election have been issued. We will mail the certificates of election to you after we receive your completed form.

To assist with reviewing candidates' qualifications, Multnomah County Elections affirms the following based on candidates' voter registration records:

- Juan Carlos González has been registered to vote at his current address, which is located in the Metro electoral district, since before January 4, 2026.
- Brian Evans has been registered to vote at his current address, which is located in the Metro electoral district, since before January 4, 2026.
- Ashton Simpson has been registered to vote at his current address, which is located in the Metro Council 1 electoral district, since before January 4, 2026.
- Christine Lewis has been registered to vote at her current address, which is located in the Metro Council 2 electoral district, since before January 4, 2026.
- Miles Palacios has been registered to vote at his current address, which is located in the Metro Council 4 electoral district, since before January 4, 2026.
