IDENTIFIED POLICY OUTCOMES

Development of a FY 2026-27 Metro budget that aligns with Council priorities.

POLICY QUESTIONS

What are the policy implications and tradeoffs that will result from the department's budget?
Specific factors for Council consideration *may* include:

- How well do the department's programs align with Council priorities and direction?
- Does the budget represent a good investment in and advance the Council priorities?
- Has the department demonstrated sufficient planning to successfully implement any new programs and/or projects?

POLICY OPTIONS FOR COUNCIL TO CONSIDER

Each department's budget has individual items that should achieve outcomes specifically addressed by Council through the strategic targets. Council can support the budget in whole or in part and modify individual items or larger program requests.

STAFF RECOMMENDATIONS

The Chief Operating Officer and Chief Financial Officer recommend that Council hear all the department presentations prior to determining their support for departments' proposed budget.

STRATEGIC CONTEXT & FRAMING COUNCIL DISCUSSION

Each department's FY 2026-27 base budget was developed following the Chief Financial Officer's budget instructions released in early December 2025. The base budgets allow the departments to continue existing programs and projects as adjusted for various factors such as inflation, COLAs, etc.

New and/or reduced programs, projects, appropriations, and FTE are requested through the department's modification request process. These requests were reviewed and analyzed by the Chief Operating Officer, Deputy Chief Operating Officers, and Chief Financial Officer. Approved requests were built into the Proposed Budget, released on April 3, 2026, and presented by the Chief Operating Officer on April 9, 2026, with their budget message.

Legal Antecedent

The preparation, review and adoption of Metro's annual budget is subject to the requirements of Oregon Budget Law, ORS Chapter 294. The Chief Financial Officer, acting in their capacity as the designated Budget Officer, is required to present a balanced budget to Council, acting in their capacity as our Budget Committee.

BACKGROUND

Each department will provide information pertaining to their proposed budget, that includes budget modification requests approved by the Chief Operating Officer.
