11.01.130 Administrative Cost Recovery; Use of Administrative Funds

(a) After Metro's tax collection costs are paid, Metro may retain up to five percent of the remaining funds to pay for the costs to disburse the funds and administer and oversee the program. This includes convening and supporting the Regional Oversight Committee; establishing a regional homelessness data collection and reporting program; and supporting tri-county regional collaboration.

(b) In addition to the uses described in subsection (a), Metro may also provide funding to a local implementation partner to support specific needs identified by Metro Council. Funding under this subsection is in addition to the allocations set forth in Section 11.01.090. The Metro Council may establish the conditions under which a local implementation partner may receive and use funds under this subsection. Funds provided under this subsection must be used for supportive housing services but are not otherwise subject to the requirements of this chapter unless required by Metro Council.
