FORMAL MTIP AMENDMENT STAFF REPORT

Amendment Purpose Statement

FOR THE PURPOSE OF ADDING OR CANCELING TWO PROJECTS TO THE 2024-27 MTIP TO MEET FEDERAL PROJECT DELIVERY REQUIREMENTS

BACKGROUND

What This Is - Amendment Summary:

The May 2025 Formal Metropolitan Transportation Improvement Program (MTIP) Formal/Full Amendment contains two projects. One is a new Metro project development/scoping project that will support the 2028-30 Regional Flexible Funds Allocation (RFFA) awarded projects complete required project development/scoping actions to ensure the ODOT Technical Scoping Sheet is Properly completed. As a new project an ODOT key number has not been assigned to the project presently. The second project involves a SMART FTA 5310 funded project (Key 22196) which requires cancelation from the MTIP and STIP. SMART and TriMet completed a fund exchange during development of the 2024-27 MTIP. The fund exchange invalidated Key 22196's funding. The project now needs to be removed from the MTIP and STIP as a result.

What is the requested action?

JPACT approved Resolution 25-5493 on May 15,2025, and now recommends Metro Council provide the final approval to Resolution 25-5493 allowing all required MTIP programming actions to be completed.

The following page provides a more detailed summary of the required changes for the new project:
