Council President Lynn Peterson

WHEREAS, Metro intends to upgrade Blue Lake Regional Park; and

WHEREAS, ORS 279C.335 and Metro Local Contract Review Board Administrative Rule ("LCRB Rule") 49-0130 require that all Metro public improvement contracts be procured based on competitive bids, unless exempted by the Metro Council, sitting as the Metro Contract Review Board; and

WHEREAS, Metro's LCRB Rule 49-0620 authorizes the Metro Contract Review Board to exempt a public improvement contract from competitive bidding and direct the appropriate use of alternative contracting methods that take account of market realities and modern innovative contracting and purchasing methods, so long as they are consistent with the public policy of encouraging competition, subject to the requirements of ORS 279C.335; and

WHEREAS, ORS 279C.335(2) and (5)(a), and LCRB Rules 49-0630 through 49-0690 require that the Metro Contract Review Board hold a public hearing and adopt written findings establishing, among other things, that the exemption of a public improvement contract from competitive bidding is unlikely to encourage favoritism or substantially diminish competition for public improvement contracts; and that said exemption will likely result in substantial cost savings to Metro; NOW, THEREFORE,

BE IT RESOLVED that the Metro Contract Review Board:

1. Exempts from competitive bidding the procurement and award of a Construction Manager/General Contractor ("CM/GC") public improvement contract for the construction of the first phase of the Blue Lake Regional Park Renovation project; and
2. Adopts as its findings in support of such exemption the justification, information, and reasoning set forth on the attached Exhibit A, which is incorporated by reference as if set forth in full; and
3. Authorizes the Chief Operating Officer to prepare a form of Request for Proposals ("RFP") for CM/GC Contractor services that includes the following evaluation criteria for contractor selection:
 - a. Contractor's proposed fees for pre-construction services;
 - b. Contractor's proposed overhead and profit for construction services;

- c. Contractor's project understanding and proposed project approach;
- d. Contractor's record of completion of projects of similar type or equivalent scale and complexity, including demonstrated public improvement CM/GC project experience and expertise;
- e. Contractor's record of coordinating multi-disciplinary approaches to value engineering challenges;
- f. Contractor's experience with occupied, operational sites, limited staging space and phased construction;
- g. Contractor's proposed milestone dates, including but not limited to substantial completion;
- h. Contractor's demonstrated quality and success with compressed schedules;
- i. Contractor's financial capacity;
- j. Contractor's experience in incorporating sustainability construction practices and design into projects;
- k. Contractor's demonstrated commitment to workforce diversity and record of use of subcontractor businesses certified by the Certification Office of Business Inclusion and Diversity; and
- l. Any other criteria that ensure a successful, timely, and quality project, in the best interest of Metro and in accord with ORS 279C.335(4)(c) and LCRB Rule 49-0640(2)(a) and (b).

4. Authorizes the Chief Operating Officer to issue the RFP form and Contract approved by the Office of Metro Attorney, and thereafter receive responsive proposals for evaluation; and

5. Following evaluation of the responses to the RFP, authorizes the Chief Operating Officer to execute a CM/GC contract with the most advantageous proposer to construct the Blue Lake Regional Park Renovation project.

ADOPTED by the Metro Council acting as the Metro Contract Review Board this 29th day of January 2026.

Lynn Peterson, Council President

Approved as to Form:

Carrie MacLaren, Metro Attorney
