Collective Bargaining Agreement

Metro and the American Federation of State,
County and Municipal Employees Local 3580

July 1, 20215 to June 30, 20259

January 2023 | Update from AFSCME Local 3580

Article 15: Wages updated Summer 2022

Faced with historic inflation, AFSCME Local 3580 member leaders requested Article 15 be reopened to negotiate a higher annual wage increase for FY 2022-23 (July 1, 2022 to June 30, 2023). Metro leadership agreed and the parties agreed to a 5% wage increase.

The Article language in this print version does not reflect this change (page 31), however, the pay schedules in this print version do reflect renegotiated increase from 2 to 5%.

Since wage increases are applied to the prior fiscal year's wages, the pay schedules for FY 2023-24 and FY 2024-25 have also been updated, but the wage increases scheduled for those year remain 2.5%.

Article 7: Overtime, Compensatory Time, and Bonus Time

Section 7.1 Overtime

Overtime worked by employees non-exempt from the Fair Labor Standards Act (FLSA) shall be paid at one and one half (1-1/2) the employee's regular rate including any regular rate premiums. Overtime is time worked over eight (8) hours per day or over forty (40) hours in one (1) workweek. For employees working four day workweeks overtime is time worked over ten (10) hours per day or over forty (40) hours in one (1) workweek. The "workweek" for purposes of calculating overtime for non-exempt employees is defined as seven (7) consecutive calendar days. The "workday" for purposes of calculating overtime for non-exempt employees is defined as the 24-hour period beginning at 12:01 a.m. each day and ending at 12:00 midnight. Overtime shall be paid whenever required by this subsection or the FLSA.

Application of the overtime section shall not be construed to provide for compensation for overtime at a rate exceeding time and one-half or to affect a "pyramiding" of overtime.

Section 7.1.1 Flexible schedules and overtime

For non-exempt employees working flexible schedules granted under Article 29, overtime is time over the hours identified in the alternate schedule, unless those hours are less than eight hours in a work day or over forty hours in a single work week.

Section 7.1.2 Assignment of Overtime

The Employer shall give reasonable notice of any overtime to be worked.

Upon request of either party, the Employer and the Union may meet for the purpose of negotiating issues related to the development of methods for the scheduling and distribution of overtime for departments, venues or workgroups. Any proposals agreed to shall be incorporated through a letter of agreement.

~~7.1.3 Overtime for consecutive days worked at Portland Expo Center~~

~~Employees who work 8 or more consecutive days, regardless of workweek, shall begin earning pay at the overtime rate beginning the 8 (eighth) day worked or 64 (sixty-four) hours worked for that consecutive period.~~

Section 7.2 Compensatory Time for Non-Exempt Employees

Upon agreement with a non-exempt employee that overtime not be paid, non-exempt employees shall receive one and one-half (1-1/2) hours of compensatory time off for every hour worked in excess of eight (8) hours (ten (10) hours per day for four day workweek employees) or forty (40) hours per workweek. Compensatory time must be requested in the payroll period in which the excess hours were worked, and the employee may via written request default future excess hours to be received as Compensatory time rather than paid as overtime.

- a) Compensatory time must be used within the fiscal year in which it is awarded, and if unused will be ~~forfeited-paid out~~ at the end of the fiscal year unless it is awarded during the month of June. If Compensatory time is awarded in the month of June, the employee may have until June 30th of the following year to use the ~~bonus~~-time.
- b) Compensatory time shall be provided in the electronic time-keeping system as a separate leave bank for employee's use, shall be pre-approved, and scheduled as time off.

Section 7.3 Bonus Time for Employees

The Employer may, at its sole discretion, award employees "bonus time" off ~~as determined appropriate by the Department Director or designee consistent with Metro policy~~. The decision to grant or disallow bonus time, ~~including the promulgation of any standards or procedures for awarding bonus time~~, shall be considered as the exercise of a Management Right allowed by Article 3 of this Agreement. Bonus ~~time~~ can be awarded to exempt and non-exempt employees.

- a) Bonus time must be used within the fiscal year in which it is awarded, and if unused will be forfeited at the end of the fiscal year unless it is awarded during the month of June. ~~If Bonus time is awarded in the month of June, the employee may have until June 30th of the following year to use the bonus time.~~
- b) An employee being awarded bonus time shall receive notice in writing, to include the number of hours awarded and the reason for the award.
- c) Bonus time shall be provided in the electronic time-keeping system as a separate leave bank for employee's use, shall be pre-approved, and scheduled as time off.
- d) Overtime:
Non-exempt: Bonus time shall not be considered in the calculation of overtime during the FLSA workweek.
Exempt: Exempt employees under FLSA shall not be paid overtime.

~~12.~~11. Christmas Day;

~~13.~~12. Two (2) Personal Holidays are allowed each fiscal year on days of each employee's choice, subject to schedule approval of the supervisor. For purposes of this section, a Personal Holiday is any day chosen by the employee and approved by the supervisor which would otherwise be a regular scheduled workday.

- a) Employees hired between January 1 and June 30 of each fiscal year shall be entitled to one (1) such holiday to be used by the end of the fiscal year.
- b) With the exception of instances provided in item 13.a above, personal holidays must be taken by the employee within the fiscal year in which they accrue.

Section 8.2 Holiday Pay

Eligible employees shall receive the amount of hours regular pay equal to that of their regularly scheduled work day for each of the holidays set forth above on which they perform no work. Holiday pay is provided for the day in which the shift began.

Section 8.3 Part-time Proration

Holiday pay for part-time employees will be prorated based on average hours paid per week during a six (6) month period of time (semi-annual). This semi-annual calculation shall be from October 1 through March 31 and April 1 through September 30 of each year, and shall hereinafter be referred to as the calculation period.

Personal holidays will be calculated once a year based on the previous two qualifying six-month calculation periods (annual calculation) and shall be placed in the employees personal holiday bank once a year.

The following table shows the months worked on the left to calculate the hours of holiday pay for the holiday on the right, including personal holidays:

Qualifying Six-Month Average Hours Paid	Holidays
April 1 through September 30	New Year's Day Dr. Martin Luther King Jr. Day President's Day Veteran's Day Thanksgiving Day Day after Thanksgiving Christmas Eve Christmas Day
Oct 1 through March 31	Memorial Day Juneteenth Independence Day Labor Day

8.3.1 Average hours paid per week shall be calculated as follows:

- Employees with average hours paid of 20-26.69 per week shall receive a prorated holiday of 50% of their regular shift, such that if their regular shift was eight (8) hours they would receive four (4) hours of pay; or if their regular shift was ten (10) hours they would receive five (5) hours of pay.
- Employees with average hours paid of 26.7-31.99 per week shall receive 75% of their regular shift as holiday pay, such that if their regular shift was eight (8) hours they would receive six (6) hours of pay; or if their regular shift was ten (10) hours they would receive seven-and-a-half (7.5) hours of pay.
- Employees with average hours paid of 32 hours per week or more shall receive the equivalent of their full shift, either 8 or 10 hours, respectively.

8.3.2 Exempt employees shall receive holiday pay equivalent to their regularly scheduled shift.

8.3.3 Newly hired, regular status employees (including probationary employees) who have not yet worked a complete qualifying period (six months for holidays and twelve months for personal holidays) and employees not in paid status for half or more of the qualifying period (per the table above) will be paid pro-rated holidays based on their FTE status. After six months of employment, a review of hours worked will be conducted to confirm that the employee's budgeted FTE status used to determine pro-rated holiday pay since hire date was accurate. In instances where an employee worked more than the budgeted FTE, the employee shall be provided the difference from forecasted FTE and actual hours worked as deferred holiday leave.

8.3.4 Part-time employees shall not be required but may be allowed to use their (non-sick-leave) accruals to "back fill" any holiday where pro-rated holiday pay is provided.

8.3.5 Within 30 days of the close of each six-month period outlined in number one (1) above, employees and the Local shall be notified of their amount of holiday hours for that period.

Section 8.4 Alternate Holiday Scheduling

Whenever a holiday shall fall on the first day not included in the employee's regularly scheduled work week, the preceding day in an employee's regular workweek shall be observed as a holiday. Whenever a holiday shall fall on the second day not included in the employee's regularly scheduled workweek, the following day in an employee's regular workweek shall be observed as a holiday. In the event an alternative holiday cannot be scheduled due to operational necessity, the holiday will be deferred per Section 8.6.

Section 8.5 Holiday During Approved Absences

Holidays which occur during vacation or sick leave shall not be charged against such leave.

Section 8.6 Holiday Worked/Deferred

In addition to holiday pay, any non-exempt employee shall be paid the FLSA overtime rate for any holiday ~~—actually worked, with the exception of the day after Thanksgiving.~~ However, if an employee is scheduled to work on a holiday, that employee will be permitted to defer the holiday with regular ~~—~~pay until a later date. An employee under this section can accumulate no more than five deferred holidays. Deferred holidays in excess of 5 deferred days permitted will be paid out at the employee's FLSA pay rate.

Section 8.7 Holiday Scheduling

The Employer shall offer work available on holidays to qualified volunteers from any shift. Employees interested in working the holiday will advise the Employer of their desire to do so as soon as possible and no less than four (4) calendar days prior to the holiday. If two or more qualified employees volunteer with four (4) calendar days prior to the holiday, the most senior will be selected. If there are no volunteers, the least senior non-probationary employee will be required to work.

If an employee volunteers to work on a holiday, the following shall apply, in accordance with Article 6: Hours and Shifts and Article 7: Overtime, Compensatory and Bonus Time:

- a) The employee shall waive the right to two consecutive days off as outlined in Article 6.
- b) If the holiday shift begins prior to the employee being relieved from work for eight (8) hours, the employee shall not receive additional overtime pay as outlined in Article 7.

See Article 35 Variable Hour Employees, for provisions of this article applicable to variable hour employees.

Article 9: Vacation

Section 9.1 Vacation Accrual for Employees

Subject to department approval, all bargaining unit employees shall be granted annual vacation leave with pay based on hours worked, accruing at the following rates:

Total Years of Continuous Service	Accrual Rate Per Hours	Equivalent Annual Hour Full-Time Employees
Date of hire through completion of 3 yrs.	.0577 hours	120 hours
4 years through completion of 7 yrs.	.0692 hours	144 hours

12 years plus	.0923 hours	192 hours

Section 9.2 Existing accrual rates for OCC and Expo

Oregon Convention Center and Portland Expo Center employees that were accruing two-hundred (200) vacation hours per year (per full-time employee) at the time of ratification of this agreement shall continue to accrue vacation hours at a rate of two-hundred (200) vacation hours per year (per full-time employee).

Section 9.3 Vacation Leave Approval

Regular and limited duration status employees employed for more than six (6) consecutive months may be granted accrued vacation leave by approval of the department director or designee.

Department directors or their designees shall schedule vacation for their respective staff with consideration for vacation accrued, seniority, the desires of the staff, and for the work requirements of the department. Vacation schedules may be amended to allow the department to meet emergency situations. Vacation requests more than thirty (30) working days in advance shall not be arbitrarily denied or amended without demonstration of conflict with a prior request or a bona fide work emergency. All employees are generally required to submit vacation requests through the electronic timekeeping system. In the instances where vacation has yet to accrue in employee's leave balance, employees may request vacation in writing to their department director or designee. Approval of vacation leave shall be provided in a timely manner.

Section 9.4 Vacation for Probationary Employees

Probationary employees may use accrued vacation. A probationary employee who terminates employment for any reason during the initial probationary period will not be paid for any accrued but unused vacation leave at time of departure.

9.5 Vacation Accrual Maximum

Employees ~~are expected to take vacation leave each year. shall not accumulate more than two hundred seventy-five (275) hours of vacation leave.~~ While unused vacation may be carried over year-after-year, any amount which exceeds 275 hours on the last day of the pay period prior to July 1 of each year shall be forfeited. –Additional hours that would have accrued at the rates in this Agreement shall be forfeited unless a denial of a vacation request prevents an employee from avoiding the 275 hours maximum. If denial of a vacation request prevents an employee from avoiding the 275 hour maximum, the employee shall be paid at regular rate for those hours accrued over 275 hours. This article is subject to the provision that the Employer shall have the option to "buy back" any vacation hours over 250 that an employee has accrued at the end of each fiscal year, at the employee's regular straight time rate.

9.6 Vacation Payout at Separation

Any regular employee who resigns, retires, is laid off or dismissed from employment with the Employer shall be entitled to immediate lump sum payment for accrued and unused vacation at the employee's existing salary rate provided, however, that such lump sum payment shall not be made if separation occurs prior to the completion of the initial probationary period including any extensions.

Article 10: Sick Leave

Section 10.1 Sick Leave Accrual

Bargaining unit members shall earn sick leave with pay at a rate of .05 hours per hour paid accrued in an unlimited amount. Qualified employees shall be eligible for use of earned sick leave after working one (1) day of service with the Employer. Sick leave cannot be used until the beginning of the pay period after which it is accrued.

Sick leave shall not continue to accrue during periods of leave unpaid by the Employer.

Section 10.2 Use of Sick Leave

Employees may use sick leave for both physical and mental illness, disability or medical appointments for themselves or their immediate family which includes an employee's spouse, domestic partner, parent, parent-in-law, step parent, and in loco parentis; biological, adopted, step and foster child; grandchild and grandparent; and any other person for which the employee is a legal guardian; or as otherwise required by law.

All employees, for schedule use of sick leave, are generally required to submit request through the electronic timekeeping system. In the instances when the sick leave has yet to accrue in employee's leave balance, employees may request leave through email to their department director or designee. Approval of sick leave shall be provided in a timely manner.

Section 10.3 Sick Leave Notification

Employees unable to report to work shall notify their supervisor within (1/2) hour before the scheduled beginning of their shift. At locations where multiple shifts are worked, employees unable to report to work due to illness shall notify their supervisor one (1) hour prior to the scheduled beginning of their shift.

Section 10.4 Sick Leave Use in Conjunction with Workers' Compensation

The Employer and the Union agree that no employee should receive full net wages in paid sick leave while also receiving time loss payments on an insured Workers' Compensation claim. The parties therefore agree as follows:

Where the dual payment would result from the employee filing a claim for time loss payments for an injury or disease the employee shall receive only the paid sick leave, if any, for the same condition necessary to bring the employee to full net take-home pay for the pay period. The Employer may recoup any overpayment of sick leave paid, either by deductions from gross wages per pay period in an amount not exceeding 20 percent gross wages until the total overpayment is recouped, or the Employer and the employee may, by mutual agreement, provide for some other means for repayment. Upon repayment of the total amount of the excess, the employee's sick leave account shall be credited with that portion of the sick leave repaid.

Section 10.5 Unused Sick Leave

The Employer shall participate in the PERS unused sick leave program as provided in ORS 238.350. The Employer shall report the number of unused sick leave hours to PERS for use in the calculation of the employee's final average salary.

Section 10.6 Infrequent Absences of Exempt Employees

When an exempt employee has an absence of four hours or more, such absences will be tracked in the leave management system and covered through the use of available leave accruals as appropriate for the situation.

Infrequent absences of less than four hours by an exempt employee that does not negatively impact expected work performance or productivity will not be covered through the use of leave accruals. In addition, this section would not apply if an employee has received prior approval from their manager to flex their schedule in a given workweek.

Section 10.7 Physical Examination

Where the Employer has reason to believe the employee is not physically capable of performing the duties of the position, the Employer may require the employee to submit to a physical examination by a physician selected by the Employer. The employee shall be notified in writing of Employer's intent to require a physical examination. The notification shall include information regarding the employee's right to Union representation. In all discussions with Employer's officials or representatives, the employee shall be entitled to union representation. Costs for such examination shall be at no cost to the employee and performed on duty time at no charge to leave accruals.

Article 11: Other Leaves

Section 11.1 Bereavement Leave

The Employer shall comply with the Oregon Family Leave Act.

An employee absent from duty due to the death of an immediate family member as defined by the employee shall be allowed time off from duty, not to exceed three (3) days, without deduction of pay on account of such absence. If travel is required, up to four (4) additional days (chargeable to sick leave) will be allowed. If leave is not used immediately following the death of the family member, the employee will provide their manager with reasonable notice of any absences as a result of Section 11.1. and such requests shall not be unreasonably denied.

Employees may attend a funeral ceremony for a fellow employee and receive time off with pay for any regularly scheduled shift to attend ~~such the~~ funeral ceremony, subject to the needs of the operation and management approval. No overtime shall accrue as a result of participation in this event.

Section 11.2 Military Leave

Eligible employees shall be granted military leave with pay, as required by law. Any remaining leave shall be without pay, as required by law.

Section 11.3 Jury Duty/Court Appearances

Employees shall be granted a paid leave of absence for time off for jury service, or as a result of service upon the employee of a lawful subpoena requiring the employee's appearance in a court of law. Any jury or witness fees will be endorsed over to the Employer. In the event that an employee is excused from jury duty prior to the end of the employee's daily work shift, and there is more than half of an employee's scheduled work shift remaining, the employee shall promptly return to work. Employee's participating in jury duty lasting more than half of their scheduled work day will be compensated for time equal to their scheduled work day.

11.3.1: Employees shall not be eligible for leave with pay under Section 11.3 if the subpoena is for a dispute between the Employer and employee. In instances where the dispute is with the Employer, the employee is entitled to use any accrued vacation in these circumstances. Union related arbitrations are exempt if they occur on an employee's regularly scheduled work day.

Section 11.4 ADA and Family Medical Leave

11.4.1: Employer abides by the Americans with Disabilities Act (ADA), ADA Amendments Act (ADAAA), Family Medical Leave Act (FMLA) and the Oregon Family Leave Act (OFLA) when administering qualifying leave for employees. Employees shall be allowed to use accrued leave balances in the following order: (sick leave, compensatory time, personal holiday and vacation) for FMLA and OFLA leave. Once an employee reaches a leave balance of 40 hours vacation leave, employee may elect to take leave without pay and retain accrued vacation leave.

11.4.2: If a leave of absence for a disability extends beyond the authorized FMLA or OFLA leave and the employee is on an authorized leave without pay, the employee shall elect COBRA if the employee wishes to continue health benefits. An employee shall be notified of eligibility for COBRA benefits as required by law. In the event a leave of absence extends beyond the authorized FMLA or OFLA leave, the employee will not be eligible to retain a leave bank of any accrued hours as stated in section 11.4.1 of this Article.

Section 11.5 Leave ~~Without Pay~~ of Absence

Employees may be granted leave of absence without pay and without employee benefits for a period not to exceed six (6) months provided such leave can be scheduled without adversely affecting the operations of the Employer. Such leave may be extended once by the Chief Operating Officer for an additional six (6) months. All requests for leave of absence without pay shall be in writing, shall be directed to the department director and ~~shall contain reasonable justification for approval~~must contain description of leave requests. Requests of less than ten (10) calendar days may be approved by the Department Director. Both the request and the Chief Operating Officer's approval of the request shall be in writing and shall be filed in the Human Resources Department Office. Approval or denial of leave shall be done within thirty (30) calendar days or less. The employee may elect to continue employee coverage and benefits under COBRA. Any and all such extensions of coverage and benefits shall be subject to any and all restrictions and conditions which may exist in each applicable benefit policy or plan. No employee may be denied leave without pay for arbitrary or capricious reasons. Any employee returning from an approved leave shall be reinstated with no greater or lesser employment rights than if the employee had not taken the leave.

Article 12: Health and Welfare

Section 12.1 Joint Labor Management Committee for Health Benefits

A Joint Labor Management Committee (JLMC) for health benefits comprised in accordance with adopted by-laws shall review health, dental and vision insurance plans and costs and make plan offering recommendations to the Human Resources Director and Chief Operating Officer in an effort to keep health care costs at a minimum for employees and for the Employer. The Union is entitled to select one voting member, who is a current employee, to serve on the Joint Labor-Management Committee on Health Benefits.

Employer shall make available to the committee current information regarding insurance premium rates and projected increases as such information becomes available to the Employer. The committee shall meet to maintain an ongoing review of health benefit related issues for employees.

A lawful meeting shall be comprised of an equal number of Union and Employer Committee members with not less than two of each group. The Committee shall make recommendations to the Human Resource Director and Chief Operating Officer. The Chief Operating Officer shall consider the committee's recommendations and have the authority to make Plan modifications as necessary. In the event that the Parties do not agree, the Union has the right to utilize the remedies available under ORS 243.698 – 243.722 including mediation and fact finding.

Section 12.2 Benefit Eligibility

Regular and limited duration status employees as defined below are eligible to participate in the Employer's health insurance programs. Non prorated insurance will be available to employees who work thirty-two (32) hours a week or more.

12.2.1: Health benefits will be prorated for part time employees except for employees at the Oregon Convention Center and Portland Expo Center. Their premium share will be calculated based on the total cost of the health insurance premium for the plan selected by the employee, less the employee's FTE status, multiplied by Employer's full-time employee premium portion for that plan.

Example: using a health insurance premium of \$1,000 and Employer's portion for a full-time employee is \$920. The remaining \$80 is the full-time employee's portion.

- An employee working .5 FTE would pay $\$1,000 - (.5 \times \$920) = \$540.00$
- An employee working .75 FTE would pay $\$1,000 - (.75 \times \$920) = \$310.00$

12.2.2: An employee's FTE status, for the purpose of benefits, shall be based on average paid hours per week during a six (6) month period of time (semi-annual). This semi-annual calculation shall be from October 1st through the end of March, and April 1st through the end of September of each year, and shall hereinafter be referred to as the calculation period.

Employees with hours paid of 20-26.69 per week (according to the calculation period) shall receive benefits prorated on a .5 FTE basis.

Employees with hours paid of 26.7-31.99 per week (according to the calculation period) shall receive benefits prorated on a .75 FTE basis.

Newly hired employees who have not yet worked a complete qualifying six-month calculation period (as outlined above) and employees not in paid status for half or more of the qualifying period shall have prorated benefits based on their budgeted FTE status.

No modifications will be made to the calculation period unless an employee has a change in position FTE status (i.e. through the budget) or they experience a federal qualifying event.

12.2.3: When a manager becomes aware that a newly hired employee will be working over their hired FTE within their first six (6) months, the employee's benefits will be based on their anticipated hours.

After six months of employment, a review of hours worked will be conducted to confirm that the employee's budgeted FTE status used to determine benefit eligibility was accurate. In instances where an employee worked more than the budgeted FTE, the employee shall be reimbursed for the Employer-paid insurance premium based on the prorated calculation on actual hours worked.

12.2.4: Eligibility will begin the first days-of employment for all benefit eligible employees who elect to participate in one of the Employer plans.

12.2.5: All employees (.5 - 1.0 FTE) who have worked for the Employer prior to July 1, 1999, and who are working less than full time at the time of ratification of this contract, are eligible for full health and welfare benefits. Employees hired prior to July 1, 1999 who experience an involuntary reduction in FTE status (e.g. lay-off, seniority bidding) shall retain eligibility for full health and welfare benefits.

Section 12.3 Premium Sharing

Effective upon ratification, the Employer shall contribute ninety-two percent (92%) of the insurance premium costs per plan and employees shall pay eight percent (8%) of the premium costs per plan selected by the employee.

The premium cost used in these calculations shall be the amount agreed to with the carriers. No cost sharing between plans or any other premium cost adjustments shall be made.

These premiums will be paid through payroll deduction for medical, dental, and vision plans provided by an HMO and/or indemnity carrier.

12.3.1: The Employer agrees to pay an amount of \$150 per month to full-time benefit eligible employees and a prorated amount equivalent to their FTE status for those in less than full-time benefit eligible positions, who provide proof of other medical coverage and who opt out of medical and dental coverage through the Employer. Should contracts with insurance carriers, financial consideration, or health insurance plan designs indicate a need to change the opt out amount, the parties will meet to confer and come to mutual agreement on this paragraph.

12.3.2: Part-time employees in non-benefit eligible positions at the Oregon Convention Center and Portland Expo who have been employed for more than 90 consecutive days in an AFSCME represented position, will be eligible for a healthcare incentive of \$125 in any month they work 80 hours or more. Eligible employees may decline the incentive at any time.

12.3.4 Excise Tax Reopener

For the duration of this agreement, should the Employer be subject to a health insurance related excise tax, the Employer may reopen Article 12 (Health and Welfare) for further negotiations under the expedited bargaining rules. Other articles may be reopened only by mutual agreement of the parties.

12.3.5 Benefit eligibility reopener

For part-time employees working at the Oregon Convention Center and Portland Expo: Should Employer-provided insurance become available at a lower cost, for any reason, than comparable insurance plans through the Affordable Care Act (ACA) or open market, or when plans made available through the ACA and open market become more expensive than Employer-provided plans, the Employer or the Union may reopen this (Health and Welfare) for further negotiations under the expedited bargaining rules.

Section 12.4 Long Term Disability and Accidental Death Dismemberment Insurance

Life Insurance, accidental death and dismemberment, and long term disability coverage shall be provided to all employees who are health insurance benefit eligible and shall be maintained at current levels at no cost to the employee.

Section 12.5 Child Care

The Employer shall establish under the terms of Section 129 of the IRS Code, as a pre-tax benefit, a voluntary deduction by the employee to a flexible spending account for childcare.

Section 12.6 Employee Assistance Program

The Employer shall provide at no cost to the employee an employee assistance program, subject to approval of funding by the Metro Council.

Section 12.7 Voluntary Short-Term Disability

The Employer shall make available voluntary short-term disability insurance to all employees who are health insurance benefits eligible. Employees may voluntarily elect short-term disability insurance and shall pay their insurance premiums through voluntary payroll deductions. Voluntary short-term disability is subject to participation requirements of the insurance carrier. Article 13: Retirement Benefits

Section 13.1 Participation

During the term of this Agreement, all eligible bargaining unit employees shall participate in the Oregon Public Employees Retirement System (PERS), as provided in the Oregon Revised Statutes and by applicable court decisions. Section 13.2 Employee Contribution for Employees

Effective July 1, 2021, the Employer shall pay the employee's contribution to the Oregon Public Employees Retirement System in the amount of six (6) percent of the employee's base salary, for those who are qualified for PERS, in addition to the required Employer contributions for current employees active on the payroll.

~~Employer will also provide an opportunity for all AFSCME represented employees to cash out vacation accruals up to 80 hours by December 31, 2021, provided employees retain a minimum 40 hours of vacation accruals in their leave banks.~~

Section 13.3 Unused Sick Leave

The Employer shall participate in the PERS unused sick leave program as provided in ORS 238.350. Employer shall report the number of unused sick leave hours to PERS for use in the calculation of the employee's final average salary.

Section 13.4 Change to PERS

The Employer shall “pick-up” the 6% employee contribution consistent with Section 13.2. The parties acknowledge the 6% payment is inapplicable to employees who are not PERS or OPSRP members due to insufficient service. For the duration of this agreement, if for any reason the entire 6% payment becomes no longer legally available for deposit into the Individual Account Program (IAP), the Employer shall on the first payroll period following the effective date of the change increase the wages of any affected employee by 6%.

In the event that there are changes to PERS that impact a mandatory subject of bargaining that result in a reduction to the contribution to the Individual Account Program (IAP), and a cost savings for the Employer, the Union may demand to bargain the impacts of such a decision in accordance with the expedited bargaining process (ORS 243.698).

Article 14: Salary Administration

Section 14.1 New and Revised Classifications

The Employer shall notify the Union when creating a new classification or substantially revising an existing classification. The Union shall have fourteen (14) calendar days to request wage negotiations for a new or substantially revised classification.

Section 14.2 Classifications and Salary rate

The Employer will implement a salary rate for a new or revised classification. This rate shall remain in effect subject to negotiations between the Employer and the Union. If negotiations result in an increase in salary rate, the increase shall be effective back to the date the new or revised classification was implemented.

Section 14.3 Working Out of Classification Assignments

When an employee is assigned for a limited period to perform the duties of a position at a higher level classification for the majority of their work hours during a work week, the employee shall be compensated for all hours worked at the higher level classification. The employee shall be compensated at the next higher step in the employee's classification range or the first step in the higher classification whichever is greater.

The period for working out of an employee's current classification in a higher classification shall be limited to no more than ~~18-12~~ months. If an employee reaches their anniversary date during a working out of class assignment, the employee's pay rate will advance one step in their former classification pay range. The employee's working out of class pay will also increase by one step. At the end of the working out of class assignment, the employee will return to their former classification pay range at the step of their anniversary increase.

If a holiday occurs during the acting supervisory period, and the employee works the holiday, the employee shall be eligible for holiday pay as determined by this agreement. The rate of pay for holiday overtime shall be at the rate of the acting supervisor position.~~

~~For periods of less than three (3) consecutive days the employee shall not receive out-of-class pay when filling in for a supervisor, but shall be eligible for overtime. Such employees shall not be required to hold a cell phone; however, if the supervisor determines it necessary for the employee to hold a cell phone the employee shall be paid at two-hour minimum for the time worked if the employee is called. One (1) year after the employee's anniversary and each anniversary date thereafter the employee shall advance one (1) step in the salary range until the employee reaches the top step. Nothing in this section is to be construed to prohibit the Employer from placing employees above step one or advancing employees to higher levels of the salary range.

Section 14.5 Promotion

Employees promoted through a recruitment process into a higher classification shall be placed at a new step within the new salary range subject to Metro procedures governing Pay Equity.

~~Employees promoted through a recruitment process into a higher classification shall be placed at not less than the next higher step in the new salary range. The next higher step is an increase equal to the next higher rate in the new salary range.~~ Bona fide factors of time in class, seniority, education and experience, as well, ~~as any combination of these factors, may allow for step placement greater than the next higher rate in the new salary range will govern step placements.~~

~~Upon completion of promotional probation, employees shall advance to the next step in the new range.~~ The date of ~~completion of promotional probation~~ shall constitute a new "anniversary date" and employees shall advance one (1) step on each anniversary date until the employee reaches the top step. At any time during the initial probationary period the Employer may remove the probationary employee from service. For employees promoted through a recruitment process into a higher classification, promotional probation shall be six (6) calendar months from the first day of promotion. Promotional probationary employees shall return to their former classifications and rate of pay if they fail to complete their probation without recourse to the grievance procedure. If the prior position has been filled, provisions on seniority and bumping rights found in Article 16 of the contract will apply. Promotional probationary employees shall not be discharged without just cause and shall have recourse to the grievance procedure. The probationary period may be extended by the number of days an employee is on leave provided such leave exceeds ten (10) consecutive work days.

14.6.2 Demotion

action will not serve an additional probationary period. If an employee is demoted to a classification not previously held, the employee will serve a three (3) calendar month probationary period.

b) For voluntary demotions the employee will serve a three (3) calendar month probationary period. These employees shall not be discharged without just cause and shall have recourse to the grievance procedure. A voluntary demotion shall not reflect discredit on the employee.

b)c) For all demotions, involuntary or voluntary, the employee will be paid at a new step within the new salary range subject to Metro procedures governing Pay Equity.

14.6.3 Reclassification

- a) Employees who are being reclassified to a higher classification as a result of a reorganization or other business need and who have not previously performed those duties shall serve a three (3) calendar month probationary period. The employee's anniversary date shall remain the same ~~for~~ downward reclassification.

Section 14.8 Voluntary Demotion

If an employee voluntarily moves to a classification with a lower salary range, ~~and the employee's current rate of pay exceeds the salary range for the new classification, the employee's~~ rate of pay ~~will be~~ at a new step within the new salary range subject to Metro procedures governing Pay Equity. ~~placed at the top step of the range for the new classification. If the employee voluntarily moves to a classification with a lower salary range and the employee's current rate of pay falls within the salary range for the new classification, the employee's rate of pay will remain the same but the step and grade will reflect that of the new classification.~~ The employee's anniversary date shall remain the same for voluntary demotion.

Section 14.9 Lateral Transfer

When an employee is appointed to a different classification having the same salary range, the employee's rate of pay and anniversary date shall remain the same. If the essential duties and minimum requirements of the new position are distinctively different, the employee may be required to serve a six (6) month probationary period. If the employee is unable to successfully complete the probationary period, the employee shall return to the employee's former classification without recourse to the grievance procedure. If the prior position has been filled, provisions on seniority and bumping rights found in Article 16 of the contract will apply. The employee's anniversary date shall remain the same for lateral transfer.

Section 14.10 Reclassification Procedure

An employee may submit a written request for reclassification through their department supervisor to be reviewed by Human Resources. The department supervisor will submit the request to Human Resources within one (1) month of receipt. The requesting employee shall receive a response on the decision from Human Resources no later than four (4) months from the initial submission date.

If a reclassification request is approved by Human Resources, for an employee moving to a higher classification, the employee shall be placed at a new step within the new salary range subject to Metro procedures governing Pay Equity. ~~at the next higher step in the new salary range. The next higher step is an increase equal to the next higher rate in the new salary range. Article 16: Seniority

Section 16.1

Seniority shall be computed from date of hire or entry into an AFSCME classification. Seniority shall be calculated based on continuous service in any AFSCME classification. Employment as a Variable Hour Employee will not count for purposes of seniority pursuant to Article 35. Time spent on approved leave or as a result of on the job injury or illness shall not be considered a break in service and employees shall continue to accrue seniority during these leaves. Employer shall publish and distribute to the union semi-annually and thirty (30) days prior to any layoff a seniority list for all employees.

~~For full-time Utility Maintenance Specialists at the Portland Expo Center, the above definitions and applications of seniority shall apply, except that continuous service shall include employment with Multnomah County accomplished in accordance with the law.~~

Seniority shall be applied for layoff, shift bidding and elsewhere as specified in this Agreement. ~~In cases in which an employee in a represented class applies for, accepts, and serves time in another represented AFSCME classification, and then voluntarily returns to the originally held class, seniority for the purposes of shift bidding shall be calculated as the total time from the original appointment to the date of the shift bid, less the time served in the second class.~~

Section 16.2 Multiple Shifts

Where the Employer employs multiple shift operations, such employees shall have the right to choose appropriate shifts twice annually, with the duration of such bids set upon the initial posting for both bid periods. Employees shall indicate their shift preference in writing to their immediate supervisor prior to the filling of a vacancy. The supervisors shall assign employees based on written seniority preference. Employees may not be denied seniority preference for arbitrary and capricious reasons. The parties hereby agree that the shift bidding process specified in this Section 16.2 will be implemented in the following manner:

- b) When shifts and days off are bid, the employee shall identify in writing to their immediate supervisor the established designated shift the employee wishes to work. Shifts will be assigned based on the seniority of the employee as defined in Article 16 (Seniority), except as stated in subsection (a) above.
- c) A newly hired employee on initial probation shall be placed on shifts according to operational and training requirements. Following three (3) months of continuous service the employee will

be allowed to shift bid at the next shift bid opportunity.

- d) Shifts will be posted for bidding by October 15 or April 15, as appropriate. Shift bids will be completed by December 1 or June 1 as appropriate. An employee who does not sign up for a shift within a reasonable amount of time will be moved to the bottom of the seniority list for purposes of that specific shift bidding cycle. The Chief Steward or designee, and the Director of Operations/Operations Manager, or designee, will agree what constitutes a "reasonable amount of time," after consultation with the employee. If the Chief Steward, or designee, and the Director of Operations/Operations Manager, or designee, do not agree, the Director of Operations/Operations Manager, or designee, will have the authority to make the decision to move the employee to the bottom of the list. Any employee who is moved to the bottom of the list during a shift bidding cycle will be restored to their appropriate seniority level for the next shift bidding cycle. If any employee refuses to sign up for a shift by December 1 or June 1, the Director of Operations/Operations Manager or designee has authority to assign them to an available shift.

Section 16.3 Assignment of Overtime at Oregon Convention Center and Portland Expo Center

It shall be the responsibility of Management to determine in each instance if overtime work is required, and if so, how many employees will be required to perform work.

All overtime work shall normally be distributed to the employees who work in the job classifications in the areas which normally engage in the work based upon seniority, under the following guidelines:

Scheduled overtime shall first be offered to the most senior employee when overtime is required, and shall proceed in an order of descending seniority until the shifts are filled.

Unscheduled overtime shall be offered to on-shift employees based upon seniority and shall proceed in an order of descending seniority until the shifts are filled.

Mandatory overtime shall be assigned to the least senior, on-shift employees until the required shifts are filled. The Employer will make every effort to give the employee as much notice as reasonably possible of the mandatory overtime. Additionally, no employee will be required to work involuntarily more than fourteen (14) consecutive days.

Section 16.4 Layoff

Layoff shall be defined as a separation from service for involuntary reasons not reflecting discredit upon employees or an involuntary reduction of full time equivalent (FTE) status of .5 or greater from the last voluntary FTE status change. The Chief Operating Officer shall determine the number and classifications to be laid off. Effective the date of layoff action as established by the Employer, all ~~All temporary, seasonal and~~ probationary employees within the affected department and – classification selected for layoff shall be laid off prior to any layoff of regular status employees. When the Employer determines a layoff will be necessary, the Employer will notify the Union prior to notifying the employee.

Under no circumstances will temporary, VHE, unrepresented employees or employees represented by another collective bargaining union be assigned to any task or tasks that are identical or analogous to a task which is or was performed by a member of AFSCME 3580 that experienced a lay-off and/or has recall or return rights.

- b) All impacted employees, at least one union representative and one Human Resources representative shall be present at the time of the coin toss.
- c) A union officer or business representative shall toss the coin unless another person is designated by mutual consent of the parties.
- d) The coin shall be tossed in as many rounds as needed to narrow the selection of employees.
 1. Heads shall indicate more seniority, tails shall indicate less.
 2. The coin shall be tossed for each employee individually to determine the level of seniority.

16.5.1 Part-time Employee: Seniority shall be calculated the same as a full-time employee.

~~16.5.2 Limited Duration: Employees newly hired into limited duration AFSCME positions shall not be entitled to any layoff or seniority rights under this agreement until they have been employed continuously for three (3) years in the limited duration position. At that time they will receive seniority back to their hire date into the limited duration position they currently hold. If a regular AFSCME employee transitions to a limited duration position without a break in service from the regular status AFSCME position, the employee shall have layoff and seniority rights to the employee's former regular status AFSCME classification based on the employee's seniority in that classification.~~

Therefore, it is necessary for the employee to possess the knowledge, skills and abilities to perform all of the essential duties and responsibilities of the position prior to bumping into the position, as determined by the receiving manager. This does not count as one of the twice annual shift bids.

c) DEMOTE to a former classification previously served, AND

i. FILL

1. Fill a vacant position ~~in~~ the lower classification, provided that the receiving manager determines that, on the basis of an existing job description, the employee can perform all of the duties of the specific position adequately within 60 days. Therefore, it is necessary for the employee to possess the knowledge, skills and abilities to perform all of the essential duties and responsibilities of the position prior to bumping into the position, as determined by the receiving manager. The employee will receive performance coaching during these 60 days as assistance for successfully performing the duties of the position.

16.7 Recall List

All employees on the layoff list shall have the right to be recalled to a vacant position, in order of seniority, in the same classification they were in when laid off for a period of three (3) years. The recalled employee will be considered to be qualified and offered the vacant position unless there is a distinct difference in the essential functions and required knowledge, skills and abilities of the vacant position. In those situations, the employee will be provided an interview and given an opportunity to demonstrate their qualifications and knowledge/skills/abilities to successfully perform the job. Should the supervisor determine that the employee does not possess the qualifications and knowledge/skills/abilities for the vacant position, the supervisor may elect to conduct a recruitment for the position and not recall the laid off employee to the vacant position. Should an employee be offered a recall to the same classification from which they were laid off and the employee declines the offer, the employee shall be removed from the recall list. An employee impacted by an involuntary reduction of full time equivalent (FTE) status of .25 or greater from their last voluntary FTE status change can elect to be placed on the recall list in order of seniority for a period not to exceed two years.

If recalled to the former position, the employee will return to the same range and step as when laid off and will have a new anniversary date for purposes of step increases. The employee will have the employee's seniority in classification restored to the level it was at time of layoff. If an employee is recalled to a different position in the same or lower classification and is successful in demonstrating their qualifications in the above mentioned interview, the employee will serve a three month probation period. If an employee is unsuccessful during this probation period they will be returned to the recall list for the remainder of their original duration and placement on the list.

The employee may also elect to be placed on a recall list for a vacant position in a lower salary range classification in which they have previously worked. If the employee declines an offer for a position from this lower level classification list, the employee's name will be removed from the lower level list but will remain on the list for the position at the same classification the employee was laid off from should the employee choose to remain active on that list.

Upon recall to any position in Metro, the employee will be immediately reinstated to the rate of vacation and other leave accruals as what they were at time of layoff.

On re-employment of laid off employees, the Employer shall notify the employee by certified letter, with a copy to the Union, mailed to their last known address. The employee shall have five (5) calendar days to report their intentions to the Employer and shall report to work within two (2) weeks after notification by the Employer or as mutually agreed. Failure to accept recall to work will terminate any rights for re-employment.

16.8 Rights of Return

Employees who move to another position after being notified of the elimination of their previous position shall have the right to return to ~~their previous position~~the same classification in the same department if the ~~position~~same classification in the same department is either 1) not ~~eliminated~~ or 2) restored for any reason within the three (3) years immediately following the ~~employee's move to the new position~~date of layoff.

All contractual rights under this agreement and seniority time shall be forfeited if an employee resigns, is terminated, retires, or does not return to work from a leave of absence, or is on a layoff list for more than three (3) years.

Counseling is not disciplinary, having constructive goals, such as assisting in employee development, or teaching or modifying behavior.

A ~~Letter-Memo~~ of Expectation (~~L~~MOE) is a tool designed to help the employee succeed by formally documenting performance expectations and requirements. It is not disciplinary.

Neither counselings nor ~~L~~MOE's will be documented in the employees personnel file.

Any employee as defined in section 17.1 who is discharged may appeal such action in writing within fourteen (14) calendar days directly to step 3 of the grievance procedure, provided that all other requirements of Article 19 shall apply. In the case of discharge of an employee as defined in section 17.1, the union shall be copied on the discharge notice, subject to the provisions in Section 17.3. All other disciplinary actions shall be processed through the grievance procedure from the first step.

Section 31.1

Where the Employer requires specific work clothing for employees in its various operations, the Employer will furnish such clothing. The classifications requiring specific allowances and uniforms are outlined in Exhibits D, Uniform Allowance Table and Exhibit E, Issued Uniform Table.

Employees shall be required to wear such clothing while performing work on behalf of the Employer. Clothing options will consider fit, fabric, function and sizing for various body types. The Employer may expand this policy to any of its operations covered by this Agreement.

Normal wear and tear is expected and any uniform items, other than shoes, that are damaged or suffer unusual wear due to the performance of on-the-job duties will be replaced by the Employer.

Section 31.2 Payment of Clothing Allowance

Employer shall provide employees in covered classifications listed in Exhibit E by this Article with a clothing and/or shoe allowance equal to the dollar amount corresponding to their job classification as outlined in Exhibit D on the first full paycheck on or after August 1 of each year. Employees on Employer's payroll as of August 1 of each year will receive the maximum benefit. Newly hired employees will receive their allowance in their first full paycheck.

Eligibility will start the day of hire; however, should the employee voluntarily leave before completion of their six (6) month probation, money shall be reimbursed to the Employer through payroll deduction, based on the following pro-rated calculation:

- Less than one (1) month of employment: 100%
- One (1) to three (3) months of employment: 75%
- Four (4) to six (6) months of employment: 50%

No reimbursement deduction will occur if the departing employee does not have qualifying earnings for their final payroll period or paycheck to cover the cost of the reimbursement.

Employees shall promptly return all Employer's uniform items issued to them in the preceding 12-month period upon termination. Failure to return any uniform items shall result in the replacement cost being assessed against the employee.

Employer will determine the style and color of the uniform; any changes to the style and color of the uniform and reasonable rules concerning the maintenance and wearing of the uniform shall be made at the discretion and direction of the site supervisor. Clothing options will consider fit, fabric and sizing for various body types. Requests to accommodate specific needs shall not be unreasonably denied. Changes in the uniform rules will be posted with due notice.

Normal wear and tear is expected and any issued uniforms that are damaged or suffer unusual wear due to the performance of on-the-job duties will, at the discretion and direction of the site supervisor/employee's manager, be replaced by the Employer on a one-to-one basis. Uniforms are to be provided for wear during work hours, including travel to and from the job site, and may not be worn at any other time.

Nothing in this article shall prevent Employer's management from providing additional clothing, ~~prescription safety glasses,~~—equipment or other items of higher value or utilizing a uniform services provider to meet the clothing requirements for a given role.
