1	N/A	Littlefield	Todd	Area resident	12/2/2025	Public Hearing Testimony	I live in Lents, one block from the TriMet no. 17 bus, and the park and ride on 94th and Holgate, so I am a big believer in transit. I'm here to talk about 82nd Avenue and making one lane each direction a bus lane. I'm not sure, because I haven't gotten an accurate count of how many cars use 82nd Avenue a day - I heard it's 20,000 plus. I don't know if that includes the bus passengers. 82nd is a massive thoroughfare for tens of thousands of people each day. That's going to destroy their commute and Holgate, Powell and Foster are a nightmare as-is during commute hours in the morning. 92nd is a nightmare as-is. So unless you are going to build 92nd out to four lanes then the 82nd proposal cannot happen. You're going to make life miserable for commuters and the businesses. The businesses I've talked to are against this if they are even aware of it. So in my opinion this issue is probably more like a 95/5 issue so I'm not sure why you would even vote for doing this. So if you could put it to a vote to the people, expand 82nd to widen it to put in more lanes for the bus, but the current proposal is really going to irritate people.	Thank you for your comment. Transit priority on 82nd Avenue is something that is being discussed as part the next phase of project development, with a recommendation anticipated in early 2026. The endorsed Locally Preferred Alternative and proposed amendment to the Regional Transportation Plan focuses on the route, termini, and general station locations, and does not include this level of detail on transit priority.	Comment does not propose a change to the amendments.	No change recommended.
