Scenario Summary

This scenario represents minimal changes from the existing districts in order to balance population within each district.

This scenario splits the area east of Highway 217 (West Slope) and puts the unincorporated area east of the City of Beaverton city limits into District 6. The remainder is split along Canyon Rd between Districts 3 and 4. The western boundary of District 1 moves west from 122nd Ave to 102nd Ave/Cherry Blossom Dr/112th Ave north of Division Street. South of Division Street, the boundary roughly follows the 122nd alignment to the County line. The formerly jagged boundary in Happy Valley is consolidated along the 162nd Ave alignment north of Sunnyside Rd and uses the natural feature of Rock Creek south of Sunnyside Rd. An area south of Eckert Rd along Hwy 224 moves to District 2.

A minor change was made between Districts 4 and 5 north of the Hwy 26/Hwy 217 interchange to bring a commercial area within Beaverton City limits (Peterkort Centre) into District 4.

Another minor change brings a small area of Tualatin previous in District 2 into District 3.
