WHEREAS, in 2006, Metro adopted Ordinance No. 06-1115, establishing a construction excise tax (CET) to generate revenue for providing grants to local governments for regional and local planning; and

WHEREAS, the 2006 CET Ordinance contained a sunset provision based on a maximum amount collected of \$6.3 million, which amount was reached in 2009; and

WHEREAS, on recommendation of an advisory group and the Metro Chief Operating Officer (“COO”) regarding the continuing need for funding regional and local planning, on June 11, 2009 the Metro Council adopted Ordinance No. 09-1220, extending the CET for an additional five year period, with a sunset date of September 2014; and

WHEREAS, the CET has successfully raised approximately \$21.7 million in revenue that has been distributed by Metro to local governments through the Community Planning and Development Grant (“CPDG”) program for planning work across the region that otherwise could not have been funded; and

WHEREAS, on recommendation of an advisory group and the Metro COO, in June 2014 the Metro Council adopted Ordinance No. 14-1328, extending the CET for an additional five year period, with a new sunset date of December 31, 2020; and

WHEREAS, the 2014 CET Ordinance directed the Metro COO to propose amendments to the existing administrative rules implementing the CET and CPDG programs under Metro Code Chapter 7.04 (“Administrative Rules”) and to return to the Metro Council for its approval of the revised Administrative Rules prior to promulgating them; and

WHEREAS, on March 19, 2015 the Metro Council adopted Resolution No. 15-4595, which approved the Metro COO’s proposed amendments to the Administrative Rules; and

WHEREAS, on April 13, 2017 the Metro Council adopted Resolution 17-4782, which approved further proposed amendments to the Administrative rules, renamed the program the “2040 Planning and Development Grant Program,” and modified the program to consider proposals and award grants on an annual basis; and

WHEREAS, in order to most effectively address barriers to development, implement the 2040 Growth Concept, and to help address the recent equitable housing crisis in our region, the Metro Council has established a policy emphasis in previous grant cycles to enable the grant program respond to current trends and issues affecting development in our region; and

WHEREAS, our region continues to have a crisis in housing supply as growth continues, especially for low income residents, and multiple tools, strategies, and approaches are needed across the region to provide more equitable housing; and

WHEREAS, racial equity, equitable development and equitable housing continue to be issues of considerable local and regional concern given the potential for displacement of long-term residents, businesses and communities of color due to changing neighborhoods and rapidly escalating real estate costs; and

WHEREAS, on June 23, 2016, the Metro Council adopted Resolution No. 16-4708, which approved Metro's Strategic Plan to Advance Racial Equity, Diversity and Inclusion; and

WHEREAS, complementary strategies for employment growth, redevelopment, and land readiness are also important to address other current regional growth and development issues; and

WHEREAS, a clear policy framework outlining the goals of Cycle 6 funding and the types of projects that will be prioritized for the current round of grant funds will assist local governments in identifying and scoping projects that will best satisfy the policy emphasis and meet the selection criteria; and

WHEREAS, a shift from bi-annual grant cycles to annual grant cycles will provide greater flexibility and opportunity to grant applicants to propose and implement projects that will facilitate development that aligns with local and regional goals; and

WHEREAS, a new name for the grant program, "2040 Planning and Development Grants" program will emphasize the program's connection to implementing the region's 2040 growth concept and will reduce confusion of the "CPDG" acronym with the federal government's Community Development Block Grant, commonly referred to as the "CDBG" program; and

WHEREAS, the recently revised administrative rules, approved by the Metro COO in January 2018 and set forth in Exhibit A, provide added clarity regarding the various types of projects that are eligible to be considered for grant funding, more clearly describe the criteria for evaluating grant applications, and highlight current procedures for administering future cycles of the 2040 Planning and Development Grant program; now, therefore

BE IT RESOLVED that:

1. The Metro Council hereby authorizes and directs the Metro COO and staff to continue to administer the 2040 Planning and Development grants in accordance with the revised administrative rules, approved by the COO in January 2018 and set forth in Exhibit A, attached hereto and incorporated herein.
2. The Metro Council hereby directs the Metro COO and staff to continue to implement improvements to grant program administration and monitoring of the investments over time to ensure that the program is successfully supporting regional goals and policies set forth in the 2040 Growth Concept, the Urban Growth Management Functional Plan, and the six desired outcomes outlined in the Regional Framework Plan.
3. The Metro Council hereby authorizes and directs the Metro COO and staff to initiate Cycle 6 of Metro's 2040 Planning and Development grants, and to award up to \$2.0 million of CET revenue to fund projects using the following policy and investment emphasis:

- a. Twenty-five percent (25%) of allocated funds will be targeted to qualified concept planning and comprehensive planning projects for urban reserves and new urban areas.
 - b. Fifty percent (50%) of allocated funds will be targeted for qualified projects that will facilitate implementation of equitable development projects inside the UGB, which may include but are not limited to:
 - Planning or pre-development work for equitable housing (diverse, physically accessible, affordable housing choices with access to opportunities, services, and amenities);
 - Planning or pre-development work for projects that will advance quality of life outcomes for marginalized communities, such as quality education, living wage employment, healthy environments, and transportation;
 - Facilitation of development-related efforts in partnership with a community organization whose primary mission is to serve communities of color;
 - Planning or pre-development for projects that will serve a specific neighborhood or geography with a high percentage of residents that are people of color or historically marginalized communities;
 - Planning for public and private developments, investments, programs and policies that will be enacted to meet the needs of communities of color and reduce racial disparities, taking into account past history and current conditions.
 - c. Twenty-five percent (25%) of allocated funds will be targeted to qualified projects that will facilitate development in centers, corridors, station areas, employment areas, or other locations within the UGB.
 - d. In the event that there are insufficient qualified applications within any one funding target category, grant funds may be awarded to qualified applications in any other category.
4. The Metro Council hereby authorizes and directs the Metro COO and staff to utilize discretion in determining which of the grant applications received meet the intent of the equitable development target and therefore merit consideration under category b above, or if they should be reassigned to another category.

ADOPTED by the Metro Council this _____ day of January, 2018

Tom Hughes, Council President

Approved as to Form:

Alison R. Kean, Metro Attorney

ADMINISTRATIVE RULES: METRO CODE CHAPTER 7.04
[REVISED JANUARY 2018]

Effective July 1, 2006, and extended through December 31, 2020, Metro has established as Metro Code Chapter 7.04 a Construction Excise Tax (“CET”) to fund Community Planning and Development Grants (“CPDG”). Effective April 1, 2017 the CPDG program shall be known as the 2040 Planning and Development Grant program (“2040 Grant” or “Grant”). These Administrative Rules establish the procedures for administering this tax as mandated in Metro Code Section 7.04.050 and Metro Code Section 7.04.060. These Administrative Rules also establish the procedures for administering the 2040 Grants. For ease of reference a copy of Metro Code Chapter 7.04 is attached to these administrative rules.

I. Metro Administrative Matters.

- A. Definitions. These administrative rules incorporate the definitions as set forth in Metro Code Section 7.04.030 of Chapter 7.04, Construction Excise Tax, and Chapter 3.07, the Urban Growth Management Functional Plan.
- B. Designated Representatives (Metro Code Section 7.04.060). The Metro Chief Operating Officer (“COO”) is responsible for the administration and enforcement of the Metro Code Chapter 7.04 and these administrative rules.
 - 1. The COO may delegate his authority in administration and enforcement of the Code chapter and these administrative rules as he determines and as set forth herein.
 - 2. The COO shall appoint a Hearings Officer(s), which appointment shall be confirmed by the Metro Council. The Hearings Officer(s) shall have the authority to order refunds or rebates of the Construction Excise Tax or waive penalties as a result of the hearings process. Upon appointing a Hearings Officer, the Chief Operating Officer shall delegate authority to the Hearings Officer to administer oaths, certify to all official acts, to subpoena and require attendance of witnesses at hearings to determine compliance with this chapter, rules and regulations, to require production of relevant documents at public hearings, to swear witnesses, to take testimony of any Person by deposition, and perform all other acts necessary to adjudicate appeals of Construction Excise Tax matters.
- C. Internal Flow of Funds. Funds will be accounted for in a Construction Excise Tax account that will be created by the effective date of Metro Code Chapter 7.04.
- D. Rate Stabilization Reserves. Metro Code Chapter 7.04.200 states that the Council will, each year, as part of the Budget process, create reserves from revenues generated by the CET. These reserves are to even out collections thereby stabilizing the funds needed to support the applicable programs despite industry building activity fluctuation. These reserves can only be drawn on to support the specific budgeted activities as discussed in Section I.E. of these administrative rules. Due to their restricted nature, these reserves shall be reported as designations of fund balance in Metro’s General Fund.
- E. Dedication of Revenues. Revenues derived from the imposition of this tax, netted after deduction of authorized local jurisdiction costs of collection and administration will be solely dedicated to grant funding of the regional and local planning that is required to make land ready for development after inclusion in the Urban Growth Boundary.
- F. Rule Amendment. The Chief Operating Officer retains the authority to amend these administrative rules as necessary for the administration of the Construction Excise Tax, after consultation with Metro Council.

II. Construction Excise Tax Administration.

A. Imposition of Tax (Metro Code Section 7.04.070).

1. The CET is imposed on every Person who engages in Construction within the Metro jurisdiction, unless an Exemption applies as set forth herein.
2. The tax shall be due and payable at the time of the issuance of any building permit, or installation permit in the case of a manufactured dwelling, by any building authority, unless an Exemption applies as set forth herein.
3. The CET shall be calculated and assessed as of the application date for the building permit. Persons obtaining building permits based on applications that were submitted prior to July 1, 2006 shall not be required to pay the CET, unless the building permit issuer normally imposes fees based on the date the building permit is issued.
4. If no permit is issued, then the CET is due at the time the first activity occurs that would require issuance of a building permit under the State of Oregon Building Code.

B. Calculation of Tax (Metro Code Section 7.04.080). The CET is calculated by multiplying the Value of New Construction by the tax rate of 0.12%

(0.0012 x Value of New Construction)

- a. In the case of a Manufactured Dwelling for which no Exemption is applicable, and for which there is no building code determination of valuation of the Manufactured Dwelling, the applicant's good faith estimate of the Value of New Construction for the Manufactured Dwelling shall be used.

C. Exemptions (Metro Code Section 7.04.040).

1. Eligibility for Exemption. No obligation to pay the CET is imposed upon any Person who establishes, as set forth below, that one or more of the following Exemptions apply:
 - a. The Value of New Construction is less than or equal to One Hundred Thousand Dollars (\$100,000); or
 - b. The Person who would be liable for the tax is a corporation exempt from federal income taxation pursuant to 42 U.S.C. 501(c)(3), or a limited partnership the sole general partner of which is a corporation exempt from federal income taxation pursuant to 42 U.S.C. 501(c)(3), the Construction is used for residential purposes AND the property is restricted to being occupied by Persons with incomes less than fifty percent (50%) of the median income for a period of 30 years or longer; or
 - c. The Person who would be liable for the tax is exempt from federal income taxation pursuant to 42 U.S.C. 501(c)(3) AND the Construction is dedicated for use for the purpose of providing charitable services to Persons with income less than fifty percent (50%) of the median income.

EXHIBIT A TO RESOLUTION NO. 18-4863

2. Procedures for Establishing and Obtaining an Exemption; Exemption Certificates:

- a. For exemption (a) above, the exemption will be established at the building permit counter where the Value of New Construction as determined in the building permit is less than or equal to One Hundred Thousand Dollars (\$100,000).
- b. For exemptions (b) and (c) above, prior to applying for a building permit a Person claiming an exemption may apply to Metro for a Metro CET Exemption Certificate, by presenting the appropriate documentation for the exemption as set forth herein, and upon receiving a Metro CET Exemption Certificate the Person may present the certificate to the building permit issuer to receive an exemption from paying the CET; or
- c. For exemptions (b) and (c) above, instead of going to Metro to obtain a Metro CET Exemption Certificate, a Person claiming an exemption from the CET when applying for a building permit may submit to the building permit issuer Metro's CET Exemption Certificate application form. Upon receiving a Person's Metro CET Exemption Certificate application, the building permit issuer shall preliminarily authorize the exemption and shall not collect the CET. The building permit issuer shall forward the Person's Metro CET Exemption Certificate application to Metro along with the quarterly CET report. It shall be Metro's responsibility to determine the validity of the exemption and to institute collection procedures to obtain payment of the CET, as well as any other remedy Metro may have under law, if the Person was not entitled to the exemption;
- d. To receive a Metro CET Exemption Certificate from Metro, or to substantiate to Metro the validity of an exemption received from a local building permit issuer, an applicant must provide the following:
 - i. IRS tax status determination letter evidencing that the Person seeking the building permit is exempt from federal income taxation pursuant to 42 U.S.C. 501(c)(3); and
 - ii. In the case of residential property, proof that the property is to be restricted to low income persons, as defined, for at least 30 years. Proof can be in the form of loan covenants; rental agreements or grant restrictions; a certification from the entity's corporate officer attesting that the exemption is applicable; or any other information that may allow the exemption determination to be made; and
 - iii. In the case of a qualified tax-exempt entity providing services to Persons with incomes less than 50 percent of the median income, the applicant must provide information that will allow such tax exempt status to be verified, and proof that the property will be restricted to such uses. Proof can be in the form of loan covenants; rental agreements or grant restrictions; certification from the entity's corporate officer attesting that the exemption is applicable; or any other information that may allow the exemption determination to be made; and

EXHIBIT A TO RESOLUTION NO. 18-4863

- iv. In the case of a limited partnership with a tax-exempt sole general partner corporation, verification from the partnership's attorney of that status is required; and
- v. Authorization to audit the records to verify the legal status and compliance with Metro qualifications of all entities claiming exempt status.

- e. Partial Applicability of Exemption. If an exemption is applicable to only part of the Construction, then only that portion shall be exempt from the CET, and CET shall be payable for the remainder of the Construction that is not eligible for an exemption, on a pro-rata basis. It shall be the responsibility of the Person seeking the partial exemption to fill out a Metro CET Exemption Certificate application for the partial exemption, declaring on that application the proportion of the Construction qualifies for the exemption. Upon receiving a Person's Metro CET Exemption Certificate application claiming a partial exemption, the building permit issuer shall preliminarily authorize the partial exemption and shall only collect the pro-rata CET as declared by the applicant. The building permit issuer shall forward the Person's Metro CET Exemption Certificate application to Metro along with the quarterly CET report. It shall be Metro's responsibility to determine the validity of the partial exemption and to institute collection procedures to obtain payment of the remainder of the CET, as well as any other remedy Metro may have under law, if the Person was not entitled to the partial exemption.

D. Ceiling (Metro Code Section 7.04.045).

- 1. If the CET imposed would be greater than \$12,000.00 (Twelve Thousand Dollars) as measured by the Value of New Construction that would generate that amount of tax, then the CET imposed for that Construction is capped at a Ceiling of \$12,000.00 (Twelve Thousand Dollars).
- 2. The Ceiling applies on a single structure basis, and not necessarily on a single building permit basis. For example:
 - a. If a single building permit is issued where the Value of New Construction is greater than or equal to Ten Million Dollars (\$10,000,000), then the CET for that building permit is capped at Twelve Thousand Dollars (\$12,000.00).
 - b. If Construction in a single structure will require multiple building permits during the pendency of the CET program, and the total CET that would be imposed for those building permits would add up to more than Twelve Thousand Dollars (\$12,000.00), then the total CET for those building permits within the same structure during the pendency of the CET program is capped at Twelve Thousand Dollars (\$12,000.00). Once a total of \$12,000.00 has been paid in CET for a particular structure, then no additional CET will be collected for that structure during the pendency of the CET program.

E. Rebates (Metro Code Section 7.04.120). If a CET has been collected and a CET Exemption or the CET Ceiling was applicable, a rebate for the CET may be obtained from Metro.

- 1. Procedures for obtaining rebate are:

EXHIBIT A TO RESOLUTION NO. 18-4863

- a. Within thirty (30) days of paying the CET, the Person who believes that the CET was not applicable due to a CET exemption or CET Ceiling, shall apply for a rebate in writing to Metro and provide verification that the exemption eligibility provisions of Metro Code Section 7.04.040, or that the CET Ceiling provisions of Metro Code Section 7.04.045, have been met. Failure to seek a rebate within the thirty (30) day time limit will terminate a Person's right to seek a rebate.
 - b. Applicant shall provide proof that the CET was paid, in the form of a paid receipt from the building permit issuer showing the tax was paid. All supporting documentation for the exemption or ceiling shall be submitted at the time of the rebate claim. The rebate will only be made to the name that is listed on the receipt unless the applicant has a written assignment of rebate.
 - c. A rebate or a letter of denial shall be issued by Metro within thirty (30) days of receipt of a written request for rebate provided that the request includes all required information. The rebate will be calculated based upon the paid receipt, less the five percent (5%) administrative fee already retained by the building permit issuer and the five percent (5%) Metro administration fee.
- F. Refunds (Metro Code Section 7.04.150). If a CET has been collected and the Construction was not commenced and the building permit was cancelled, a refund for the CET may be obtained from Metro.
1. Eligibility is determined by the absence of Construction and cancellation of the building permit.
 2. Procedures for obtaining refund:
 - a. Apply in writing to Metro within thirty (30) days of permit cancellation.
 - b. Provide copy of canceled permit.
 - c. Provide proof of payment of the tax in the form of the paid receipt.
 - d. A refund or a letter of denial shall be issued by Metro within thirty (30) days of receipt of the written request for refund provided that the request includes all required information. The refund will be calculated based upon the paid receipt, less the five percent (5%) administrative fee already retained by the building permit issuer and the five percent (5%) Metro administration fee.
 - e. Failure to seek a rebate within the thirty (30) day time limit will terminate a Person's right to receive a refund.
- G. Appeals. The Hearings Officer shall conduct hearings related to enforcement or appeals of the CET. The appeal to the Hearings Officer must be:
1. In writing;
 2. Made within ten (10) calendar days of denial of a refund, rebate, or exemption request. Notice of denial to the party denied, is deemed to have occurred three days after the mailing of the certified denial letter from Metro;

EXHIBIT A TO RESOLUTION NO. 18-4863

3. Tax must be paid prior to appeal;
 4. Directed to the Office of Metro Attorney, who will contact the Hearings Officer to schedule a hearing upon receipt of a written appeal. The Hearings Officer will at that time provide further information as to what documentation to bring to the hearing.
- H. Review. Review of any action of the Chief Operating Officer or Hearings Officer, taken pursuant to the Construction Excise Tax Ordinance, or the rules and regulations adopted by the Chief Operating Officer, shall be taken solely and exclusively by writ of review in the manner set forth in ORS 34.010 through 34.100, provided, however, that any aggrieved Person may demand such relief by writ of review.
- I. CET Sunset (Metro Code Section 7.04.230).
1. The CET shall not be imposed on and no person shall be liable to pay any tax for any Construction activity that is commenced pursuant to a building permit issued on or after December 31, 2020.
 2. Local governments collecting CETs shall remit the CETs to Metro on a quarterly or monthly basis, based on the jurisdiction's CET Collection IGAs with Metro. Each quarter, within thirty days of receiving CET remittances from all collecting local jurisdictions, Metro will issue a written statement of the total CET that Metro has received that quarter and cumulatively.
 3. CET remittance to Metro shall be net of the local government's administrative expenses in collecting the CET, up to five percent (5%) of the CET collected by the local government as set forth in the Metro CET Collection IGA. This net amount of CET remitted to Metro shall be the basis for Metro's calculations of CET cumulative totals.
 4. The CET shall cease to be imposed by local governments on December 31, 2020, and shall be remitted by the local governments to Metro as soon thereafter as possible.

III. CET Collection Procedures.

- A. Local Government CET Collection and Remittance Via Intergovernmental Agreements (Metro Code Section 7.04.110). For those local governments collecting the CET pursuant to Intergovernmental Agreements with Metro, the following procedures shall apply:
1. CET Report; Information Required. Each quarter (unless a local government prefers to report monthly), along with its CET remittance to Metro, the local government shall prepare and submit to the Metro Chief Operating Officer a report of the CETs and building permits issued for the previous quarter's construction activities. The report shall include: the number of building permits issued that quarter; the aggregate value of construction; the number of building permits for which CET exemptions were given; the aggregate value of construction for the exempted construction; the aggregate amount of CET paid; and the amount of CET administrative fee retained by the local government pursuant to this CET Collection IGA.
 2. CET Remittance to Metro. Local governments collecting CET via IGAs with Metro shall remit the collected CET to Metro. CET remittance and the CET Report shall be sent to Metro, attn Construction Excise Tax Accounting Specialist, 600 NE Grand, Portland, Oregon 97232.

3. Remuneration to Local Government for Collecting CET. As consideration for collecting the CET, each local government collecting the CET shall retain no more than five percent (5%) of the tax collected by that local government. This payment is intended to be a reimbursement of costs incurred. Prior to submitting the CET to Metro, the local government shall deduct the remuneration agreed upon directly from the collected tax, and the amounts deducted and retained shall be identified on the report submitted to Metro.
 4. Metro Administrative Fee. To partially reimburse Metro for its costs in implementing and administering the CET program, Metro will retain five percent (5%) of the net CET funds remitted by local governments to Metro.
 5. Audit and Control Features. Each local government shall allow the Chief Operating Officer, or any person authorized in writing by the Chief Operating Officer, to examine the books, papers, building permits, and accounting records relating to any collection and payment of the tax, during normal business hours, and may investigate the accuracy of reporting to ascertain and determine the amount of CET required to be paid.
 6. Failure to Pay. Upon a Person's refusal to or failure to pay the CET when due, the local government administering that Person's building permit shall notify Metro in writing within five (5) business days of such failure, with information adequate for Metro to begin collection procedures against that Person, including the Person's name, address, phone numbers, Value of New Construction, Construction Project, and building permit number. Upon a Person's refusal or failure to pay the CET, it shall be Metro's responsibility to institute collection procedures to obtain payment of the CET as well as any other remedy Metro may have under law.
- B. Metro Collection Procedures in Event of Non-payment. The CET is due and payable upon issuance of a building permit. It is unlawful for any Person to whom the CET is applicable to fail to pay all or any portion of the CET. If the tax is not paid when due, Metro will send a letter notifying the non-payer of his obligation to pay the CET along with the following information:
1. Penalty. In addition to any other fine or penalty provided by Chapter 7.04 of the Metro Code, penalty for non- payment will be added to the original tax outstanding. That penalty is equal to fifty dollars (\$50.00) or the amount of the tax owed, whichever is greater.
 2. Misdemeanor. In addition to any other civil enforcement, non- payment of the CET is a misdemeanor and shall be punishable, upon conviction, by a fine of not more than five hundred dollars (\$500.00). This fine shall be charged to any officer, director, partner or other Person having direction or control over any Person not paying the tax as due.
 3. Enforcement by Civil Action. If the tax is not paid, Metro will proceed with collection procedures allowable by law to collect the unpaid tax, penalties assessed and fines due, including attorney fees.

IV. Revenue Distribution (Metro Code Section 7.04.220).

A. Grant Cycles.

1. The Cycle 1 fund distribution took place in March 2006, which allocated up to \$6.3 million in grants. Grant requests in this cycle were made for planning only in new areas that were brought into the Urban Growth Boundary (UGB) between 2002 and 2005.
2. The Cycle 2 grant allocation through the Community Planning and Development Grant program (CPDG) took place in June 2010, which allocated up to \$3.7 million in CET Grant revenue. Grant requests in this cycle were made for planning in all areas inside the UGB as of December 2009.
3. The Cycle 3 grant allocation through the CPDG program took place in August 2013, which allocated \$4.5 million in grants. Grant requests in this cycle were made for planning in all areas that are in the UGB as of December 2009, plus areas added to the UGB since 2009 and Urban Reserves. This cycle earmarked fifty percent (50%) of projected CET revenues for planning in areas added to the UGB since 2009 and Urban Reserves, and required that if the amount of qualified Grant Requests for areas added to the UGB since 2009 and Urban Reserves does not equal or exceed the earmarked amounts, the remainder of funds may be allocated to Grant Requests for planning in other areas.
4. The Cycle 4 grant allocation through the CPDG program took place in 2015-2016 for planning in all areas that are in the UGB and Urban Reserves. This cycle earmarked seventy percent to seventy five percent (70% to 75%) of projected revenue for planning within the existing UGB, and earmark twenty five percent to thirty percent (25% to 30%) of projected revenue for concept planning and comprehensive planning for urban reserves and new urban areas, and required that if the amount of qualified Grant Requests for areas added to the UGB since 2009 and Urban Reserves did not equal or exceed the earmarked amounts, the remainder of funds may be allocated to Grant Requests for planning in other areas. A total of approximately \$4.7 million in grants was awarded. In 2016-17 an additional cycle of grants was conducted to support Equitable Housing Planning and Development projects. A total of \$575,000 in funding was awarded.
5. The Cycle 5 grant allocation took place in 2017-2018 for planning in all areas that are in the UGB and Urban Reserves. This cycle earmarked fifty percent (50%) of funding for equitable development projects, twenty-five percent (25%) of projected revenue for planning within the existing UGB, and twenty five percent (25%) of projected revenue for concept planning and comprehensive planning for urban reserves and new urban areas. A total of approximately \$1.99 million in grants was awarded.

This grant cycle shall earmark fifty percent (50%) of projected revenue for equitable development projects, twenty-five percent (25%) of projected revenue for planning within the existing UGB, and twenty five percent (25%) of projected revenue for concept planning and comprehensive planning for urban reserves and new urban areas, and require that if the amount of qualified Grant Requests for such projects does not equal or exceed the earmarked amounts, the remainder of funds may be allocated to Grant Requests for planning in other areas.

EXHIBIT A TO RESOLUTION NO. 18-4863

7. The Cycle 7 grant allocation shall take place in 2019-2020 for planning in all areas that are in the UGB and Urban Reserves. The Metro Council shall determine in January 2019 how to best target program investments, but no less than twenty five percent (25%) of funding shall be earmarked for concept planning and comprehensive planning for urban reserves and new urban areas.
8. The Cycle 8 grant allocation shall take place in 2020-2021 for planning in all areas that are in the UGB and Urban Reserves. The Metro Council shall determine in January 2020 how to best target program investments, but no less than twenty five percent (25%) of funding shall be earmarked for concept planning and comprehensive planning for urban reserves and new urban areas.
9. These cycles may be delayed or amounts reduced if the actual CET receipts remitted by the local governments are not as high as projected, or if CET revenue projections are modified due to market conditions, or if required by Metro's spending cap limitations.
10. Metro may conduct additional allocation cycles if the Metro Chief Operating Officer finds that CET receipts are projected to exceed the grant amounts awarded in Cycles 5, 6, 7 and 8.

ADMINISTRATIVE RULES: METRO CODE CHAPTER 7.04
[REVISED ~~MARCH 2017~~ JANUARY 2018]

Effective July 1, 2006, and extended through December 31, 2020, Metro has established as Metro Code Chapter 7.04 a Construction Excise Tax (“CET”) to fund Community Planning and Development Grants (“CPDG”). Effective April 1, 2017 the CPDG program shall be known as the 2040 Planning and Development Grant program (“2040 Grant” or “Grant”). These Administrative Rules establish the procedures for administering this tax as mandated in Metro Code Section 7.04.050 and Metro Code Section 7.04.060. These Administrative Rules also establish the procedures for administering the 2040 Grants. For ease of reference a copy of Metro Code Chapter 7.04 is attached to these administrative rules.

I. Metro Administrative Matters.

- A. Definitions. These administrative rules incorporate the definitions as set forth in Metro Code Section 7.04.030 of Chapter 7.04, Construction Excise Tax, and Chapter 3.07, the Urban Growth Management Functional Plan.
- B. Designated Representatives (Metro Code Section 7.04.060). The Metro Chief Operating Officer (“COO”) is responsible for the administration and enforcement of the Metro Code Chapter 7.04 and these administrative rules.
 - 1. The COO may delegate his authority in administration and enforcement of the Code chapter and these administrative rules as he determines and as set forth herein.
 - 2. The COO shall appoint a Hearings Officer(s), which appointment shall be confirmed by the Metro Council. The Hearings Officer(s) shall have the authority to order refunds or rebates of the Construction Excise Tax or waive penalties as a result of the hearings process. Upon appointing a Hearings Officer, the Chief Operating Officer shall delegate authority to the Hearings Officer to administer oaths, certify to all official acts, to subpoena and require attendance of witnesses at hearings to determine compliance with this chapter, rules and regulations, to require production of relevant documents at public hearings, to swear witnesses, to take testimony of any Person by deposition, and perform all other acts necessary to adjudicate appeals of Construction Excise Tax matters.
- C. Internal Flow of Funds. Funds will be accounted for in a Construction Excise Tax account that will be created by the effective date of Metro Code Chapter 7.04.
- D. Rate Stabilization Reserves. Metro Code Chapter 7.04.200 states that the Council will, each year, as part of the Budget process, create reserves from revenues generated by the CET. These reserves are to even out collections thereby stabilizing the funds needed to support the applicable programs despite industry building activity fluctuation. These reserves can only be drawn on to support the specific budgeted activities as discussed in Section I.E. of these administrative rules. Due to their restricted nature, these reserves shall be reported as designations of fund balance in Metro’s General Fund.
- E. Dedication of Revenues. Revenues derived from the imposition of this tax, netted after deduction of authorized local jurisdiction costs of collection and administration will be solely dedicated to grant funding of the regional and local planning that is required to make land ready for development after inclusion in the Urban Growth Boundary.
- F. Rule Amendment. The Chief Operating Officer retains the authority to amend these administrative rules as necessary for the administration of the Construction Excise Tax, after consultation with Metro Council.

II. Construction Excise Tax Administration.

A. Imposition of Tax (Metro Code Section 7.04.070).

1. The CET is imposed on every Person who engages in Construction within the Metro jurisdiction, unless an Exemption applies as set forth herein.
2. The tax shall be due and payable at the time of the issuance of any building permit, or installation permit in the case of a manufactured dwelling, by any building authority, unless an Exemption applies as set forth herein.
3. The CET shall be calculated and assessed as of the application date for the building permit. Persons obtaining building permits based on applications that were submitted prior to July 1, 2006 shall not be required to pay the CET, unless the building permit issuer normally imposes fees based on the date the building permit is issued.
4. If no permit is issued, then the CET is due at the time the first activity occurs that would require issuance of a building permit under the State of Oregon Building Code.

B. Calculation of Tax (Metro Code Section 7.04.080). The CET is calculated by multiplying the Value of New Construction by the tax rate of 0.12%

(0.0012 x Value of New Construction)

- a. In the case of a Manufactured Dwelling for which no Exemption is applicable, and for which there is no building code determination of valuation of the Manufactured Dwelling, the applicant's good faith estimate of the Value of New Construction for the Manufactured Dwelling shall be used.

C. Exemptions (Metro Code Section 7.04.040).

1. Eligibility for Exemption. No obligation to pay the CET is imposed upon any Person who establishes, as set forth below, that one or more of the following Exemptions apply:
 - a. The Value of New Construction is less than or equal to One Hundred Thousand Dollars (\$100,000); or
 - b. The Person who would be liable for the tax is a corporation exempt from federal income taxation pursuant to 42 U.S.C. 501(c)(3), or a limited partnership the sole general partner of which is a corporation exempt from federal income taxation pursuant to 42 U.S.C. 501(c)(3), the Construction is used for residential purposes AND the property is restricted to being occupied by Persons with incomes less than fifty percent (50%) of the median income for a period of 30 years or longer; or
 - c. The Person who would be liable for the tax is exempt from federal income taxation pursuant to 42 U.S.C. 501(c)(3) AND the Construction is dedicated for use for the purpose of providing charitable services to Persons with income less than fifty percent (50%) of the median income.

2. Procedures for Establishing and Obtaining an Exemption; Exemption Certificates:

- a. For exemption (a) above, the exemption will be established at the building permit counter where the Value of New Construction as determined in the building permit is less than or equal to One Hundred Thousand Dollars (\$100,000).
- b. For exemptions (b) and (c) above, prior to applying for a building permit a Person claiming an exemption may apply to Metro for a Metro CET Exemption Certificate, by presenting the appropriate documentation for the exemption as set forth herein, and upon receiving a Metro CET Exemption Certificate the Person may present the certificate to the building permit issuer to receive an exemption from paying the CET; or
- c. For exemptions (b) and (c) above, instead of going to Metro to obtain a Metro CET Exemption Certificate, a Person claiming an exemption from the CET when applying for a building permit may submit to the building permit issuer Metro's CET Exemption Certificate application form. Upon receiving a Person's Metro CET Exemption Certificate application, the building permit issuer shall preliminarily authorize the exemption and shall not collect the CET. The building permit issuer shall forward the Person's Metro CET Exemption Certificate application to Metro along with the quarterly CET report. It shall be Metro's responsibility to determine the validity of the exemption and to institute collection procedures to obtain payment of the CET, as well as any other remedy Metro may have under law, if the Person was not entitled to the exemption;
- d. To receive a Metro CET Exemption Certificate from Metro, or to substantiate to Metro the validity of an exemption received from a local building permit issuer, an applicant must provide the following:
 - i. IRS tax status determination letter evidencing that the Person seeking the building permit is exempt from federal income taxation pursuant to 42 U.S.C. 501(c)(3); and
 - ii. In the case of residential property, proof that the property is to be restricted to low income persons, as defined, for at least 30 years. Proof can be in the form of loan covenants; rental agreements or grant restrictions; a certification from the entity's corporate officer attesting that the exemption is applicable; or any other information that may allow the exemption determination to be made; and
 - iii. In the case of a qualified tax-exempt entity providing services to Persons with incomes less than 50 percent of the median income, the applicant must provide information that will allow such tax exempt status to be verified, and proof that the property will be restricted to such uses. Proof can be in the form of loan covenants; rental agreements or grant restrictions; certification from the entity's corporate officer attesting that the exemption is applicable; or any other information that may allow the exemption determination to be made; and

EXHIBIT A TO RESOLUTION NO. 18-4863

- iv. In the case of a limited partnership with a tax-exempt sole general partner corporation, verification from the partnership's attorney of that status is required; and
- v. Authorization to audit the records to verify the legal status and compliance with Metro qualifications of all entities claiming exempt status.
- e. Partial Applicability of Exemption. If an exemption is applicable to only part of the Construction, then only that portion shall be exempt from the CET, and CET shall be payable for the remainder of the Construction that is not eligible for an exemption, on a pro-rata basis. It shall be the responsibility of the Person seeking the partial exemption to fill out a Metro CET Exemption Certificate application for the partial exemption, declaring on that application the proportion of the Construction qualifies for the exemption. Upon receiving a Person's Metro CET Exemption Certificate application claiming a partial exemption, the building permit issuer shall preliminarily authorize the partial exemption and shall only collect the pro-rata CET as declared by the applicant. The building permit issuer shall forward the Person's Metro CET Exemption Certificate application to Metro along with the quarterly CET report. It shall be Metro's responsibility to determine the validity of the partial exemption and to institute collection procedures to obtain payment of the remainder of the CET, as well as any other remedy Metro may have under law, if the Person was not entitled to the partial exemption.

D. Ceiling (Metro Code Section 7.04.045).

- 1. If the CET imposed would be greater than \$12,000.00 (Twelve Thousand Dollars) as measured by the Value of New Construction that would generate that amount of tax, then the CET imposed for that Construction is capped at a Ceiling of \$12,000.00 (Twelve Thousand Dollars).
- 2. The Ceiling applies on a single structure basis, and not necessarily on a single building permit basis. For example:
 - a. If a single building permit is issued where the Value of New Construction is greater than or equal to Ten Million Dollars (\$10,000,000), then the CET for that building permit is capped at Twelve Thousand Dollars (\$12,000.00).
 - b. If Construction in a single structure will require multiple building permits during the pendency of the CET program, and the total CET that would be imposed for those building permits would add up to more than Twelve Thousand Dollars (\$12,000.00), then the total CET for those building permits within the same structure during the pendency of the CET program is capped at Twelve Thousand Dollars (\$12,000.00). Once a total of \$12,000.00 has been paid in CET for a particular structure, then no additional CET will be collected for that structure during the pendency of the CET program.

E. Rebates (Metro Code Section 7.04.120). If a CET has been collected and a CET Exemption or the CET Ceiling was applicable, a rebate for the CET may be obtained from Metro.

1. Procedures for obtaining rebate are:

- a. Within thirty (30) days of paying the CET, the Person who believes that the CET was not applicable due to a CET exemption or CET Ceiling, shall apply for a rebate in writing to Metro and provide verification that the exemption eligibility provisions of Metro Code Section 7.04.040, or that the CET Ceiling provisions of Metro Code Section 7.04.045, have been met. Failure to seek a rebate within the thirty (30) day time limit will terminate a Person's right to seek a rebate.
- b. Applicant shall provide proof that the CET was paid, in the form of a paid receipt from the building permit issuer showing the tax was paid. All supporting documentation for the exemption or ceiling shall be submitted at the time of the rebate claim. The rebate will only be made to the name that is listed on the receipt unless the applicant has a written assignment of rebate.
- c. A rebate or a letter of denial shall be issued by Metro within thirty (30) days of receipt of a written request for rebate provided that the request includes all required information. The rebate will be calculated based upon the paid receipt, less the five percent (5%) administrative fee already retained by the building permit issuer and the five percent (5%) Metro administration fee.

F. Refunds (Metro Code Section 7.04.150). If a CET has been collected and the Construction was not commenced and the building permit was cancelled, a refund for the CET may be obtained from Metro.

1. Eligibility is determined by the absence of Construction and cancellation of the building permit.
2. Procedures for obtaining refund:
 - a. Apply in writing to Metro within thirty (30) days of permit cancellation.
 - b. Provide copy of canceled permit.
 - c. Provide proof of payment of the tax in the form of the paid receipt.

CET remittance to Metro shall be net of the local government's administrative expenses in collecting the CET, up to five percent (5%) of the CET collected by the local government as set forth in the Metro CET Collection IGA. This net amount of CET remitted to Metro shall be the basis for Metro's calculations of CET cumulative totals.
4. The CET shall cease to be imposed by local governments on December 31, 2020, and shall be remitted by the local governments to Metro as soon thereafter as possible.

 3. Remuneration to Local Government for Collecting CET. As consideration for collecting the CET, each local government collecting the CET shall retain no more than five percent (5%) of the tax collected by that local government. This payment is intended to be a reimbursement of costs incurred. Prior to submitting the CET to Metro, the local government shall deduct the remuneration agreed upon directly from the collected tax, and the amounts deducted and retained shall be identified on the report submitted to Metro.
 4. Metro Administrative Fee. To partially reimburse Metro for its costs in implementing and administering the CET program, Metro will retain five percent (5%) of the net CET funds remitted by local governments to Metro.

If the tax is not paid when due, Metro will send a letter notifying the non-payer of his obligation to pay the CET along with the following information:
1. Penalty. In addition to any other fine or penalty provided by Chapter 7.04 of the Metro Code, penalty for non- payment will be added to the original tax outstanding. That penalty is equal to fifty dollars (\$50.00) or the amount of the tax owed, whichever is greater.
 2. Misdemeanor. In addition to any other civil enforcement, non- payment of the CET is a misdemeanor and shall be punishable, upon conviction, by a fine of not more than five hundred dollars (\$500.00). 1. The Cycle 1 fund distribution took place in March 2006, which allocated up to \$6.3 million in grants. Grant requests in this cycle were made for planning only in new areas that were brought into the Urban Growth Boundary (UGB) between 2002 and 2005.
2. The Cycle 2 grant allocation through the Community Planning and Development Grant program (CPDG) took place in June 2010, which allocated up to \$3.7 million in CET Grant revenue. Grant requests in this cycle were made for planning in all areas inside the UGB as of December 2009.
3. The Cycle 3 grant allocation through the CPDG program took place in August 2013, which allocated \$4.5 million in grants. Grant requests in this cycle were made for planning in all areas that are in the UGB as of December 2009, plus areas added to the UGB since 2009 and Urban Reserves. This cycle earmarked fifty percent (50%) of projected CET revenues for planning in areas added to the UGB since 2009 and Urban Reserves, and required that if the amount of qualified Grant Requests for areas added to the UGB since 2009 and Urban Reserves does not equal or exceed the earmarked amounts, the remainder of funds may be allocated to Grant Requests for planning in other areas.
4. The Cycle 4 grant allocation through the CPDG program took place in 2015-2016 for planning in all areas that are in the UGB and Urban Reserves. This cycle earmarked seventy percent to seventy five percent (70% to 75%) of projected revenue for planning within the existing UGB, and earmark twenty five percent to thirty percent (25% to 30%) of projected revenue for concept planning and comprehensive planning for urban reserves and new urban areas, and required that if the amount of qualified Grant Requests for areas added to the UGB since 2009 and Urban Reserves did not equal or exceed the earmarked amounts, the remainder of funds may be allocated to Grant Requests for planning in other areas. A total of approximately \$4.7 million in grants was awarded. In 2016-17 an additional cycle of grants was conducted to support Equitable Housing Planning and Development projects. A total of \$575,000 in funding was awarded.
5. The Cycle 5 grant allocation ~~shall take~~took place in 2017-2018 for planning in all areas that are in the UGB and Urban Reserves. A total of approximately \$1.99 million in grants was awarded.~~
6. The Cycle 6 grant allocation shall take place in 2018-2019 for planning in all areas that are in the UGB and Urban Reserves. This grant ~~allocation shall earmark cycle shall earmark~~

~~fifty percent (50%) of projected revenue for equitable development projects, twenty-five percent (25%) of projected revenue for planning within the existing UGB, and twenty five percent (25%) of projected revenue for concept planning and comprehensive planning for urban reserves and new urban areas, seventy percent to seventy five percent (70% to 75%) of projected revenue for planning within the existing UGB, and earmark twenty five percent to thirty percent (25% to 30%) of projected revenue for concept planning and comprehensive planning for urban reserves and new urban areas,~~ and require that if the amount of qualified Grant Requests for such projects does not equal or exceed the earmarked amounts, the remainder of funds may be allocated to Grant Requests for planning in other areas.

7. The Cycle 7 grant allocation shall take place in 2019-2020 for planning in all areas that are in the UGB and Urban Reserves. ~~-The Metro Council shall determine in January 2019 how to best target program investments, but no less than grant allocation shall earmark seventy percent to seventy five percent (70% to 75%) of projected revenue for planning within the existing UGB, and earmark twenty five percent to thirty percent (25% to 30%) of projected revenue funding shall be earmarked for concept planning and comprehensive planning for urban reserves and new urban areas, and require that if the amount of qualified Grant Requests for such projects does not equal or exceed the earmarked amounts, the remainder of funds may be allocated to Grant Requests for planning in other areas.~~
8. The Cycle 8 grant allocation shall take place in 2020-2021 for planning in all areas that are in the UGB and Urban Reserves. ~~-The Metro Council shall determine in January 2020 how to best target program investments, but no less than twenty five percent (25%) of funding shall be earmarked for concept planning and comprehensive planning for urban reserves and new urban areas. This grant allocation shall earmark seventy percent to seventy five percent (70% to 75%) of projected revenue for planning within the existing UGB, and earmark twenty five percent to thirty percent (25% to 30%) of projected revenue for concept planning and comprehensive planning for urban reserves and new urban areas, and require that if the amount of qualified Grant Requests for such projects does not equal or exceed the earmarked amounts, the remainder of funds may be allocated to Grant Requests for planning in other areas.~~
9. These cycles may be delayed or amounts reduced if the actual CET receipts remitted by the local governments are not as high as projected, or if CET revenue projections are modified due to market conditions, or if required by Metro's spending cap limitations.
10. Metro may conduct additional allocation cycles if the Metro Chief Operating Officer finds that CET receipts are projected to exceed the grant amounts awarded in Cycles 5, 6, 7 and 8.

STAFF REPORT

IN CONSIDERATION OF RESOLUTION NO. 18-4863, FOR THE PURPOSE OF APPROVING POLICY AND INVESTMENT FRAMEWORK FOR CYCLE 6 OF THE 2040 PLANNING AND DEVELOPMENT GRANT PROGRAM

Date: December 27, 2017

Prepared by: Lisa Miles 503.797.1877
Roger Alfred 503.797.1532

BACKGROUND

In 2006, Metro established a construction excise tax (CET) to generate revenue for providing grants to local governments for regional and local planning. The ordinance contained a sunset provision based on a maximum amount collected of \$6.3 million, and the maximum amount was reached in 2009. In 2009 the Metro Council extended the CET for an additional five year period.

In 2014, the Metro Council adopted Ordinance No. 14-1328, which extended the CET through December 2020 and directed the Chief Operating Officer (COO) to seek direction from the Metro Council prior to revising the Administrative Rules for implementation of the CET and the Community Planning and Development Grants (CPDG). In 2015, the Metro Council adopted a resolution approving the Metro COO's amendments to the Administrative Rules.

As part of the resolution approving the Cycle 4 grants in 2015, the Metro Council directed the COO and staff to return to the Council with a proposal regarding possible uses of unallocated CET revenue from Cycle 4. In response to the Metro Council's directive, the COO and Metro staff developed the Equitable Housing Planning and Development Grant Program as a subset of the CPDG program using unallocated Cycle 4 CET revenue to support local implementation of projects that would eliminate barriers to construction of affordable housing across the region. On December 1, 2016 the Metro Council adopted Resolution No. 16- 4753, which awarded approximately \$575,000 in Equitable Housing Planning and Development grants.

In February, 2016 the Metro Auditor conducted a review the Community Planning and Development Grant program and made recommendations for improvements. At the outset of the next grant cycle ("Cycle 5") slated for 2017, the COO and staff gave additional consideration to how the CPDG and Equitable Housing Planning and Development Grant programs evolved, and what could make the programs more effective. On April 6, 2017 the Council approved Resolution 17-4782, authorizing additional administrative rule changes and program adjustments. The program switched to an annual grant award cycle and one application process for all grant types. The CPDG program name was also changed to 2040 Planning and Development Grants. The program began to utilize the ZoomGrants software, and revised other application procedures to be more user-friendly and better assist applicants with grant project development. Additionally, to help address the region's continuing housing crisis, especially for people of color and low-income residents, Resolution 17-4782 also established an investment emphasis for Cycle 5, targeting 50% of the grant funds in the cycle to fund equitable development projects.

On June 30, 2017, Metro received 18 complete applications requesting \$3.7 million in grant funding. Fourteen of the applications requested consideration in the equitable development funding category. In October, 2017 the Metro Council passed Resolution 17-4846 awarding \$1.99 million in grant funds to 9 projects; \$984,000 or 49.5% of available grant funds were awarded to projects that had a strong emphasis on equitable development.

Proposed Continuation of Equitable Development Investment Emphasis for Cycle 6

As part of the Strategy to Advance Racial Equity, Diversity and Inclusion adopted by Metro Council in Resolution No. 16-4708 on June 23, 2016, the Planning and Development Department has been reviewing programs and policies to identify improvements that could to help advance racial equity throughout the region. Our region continues to have an affordable housing crisis that disproportionately affects people of color, and multiple tools, strategies, and approaches are needed across the region to promote equitable development. Metro staff therefore recommend that the Council renew approval for the equitable development investment emphasis for Cycle 6 grants as follows:

- 25% of grant funds will be targeted for concept planning or comprehensive planning projects in Urban Reserves or areas brought into UGB since 2009
- 50% of allocated funds will be targeted for qualified projects that will facilitate implementation of equitable development projects inside the UGB, which may include but are not limited to:
 - Planning or pre-development work for equitable housing (diverse, physically accessible, affordable housing choices with access to opportunities, services, and amenities);
 - Planning or pre-development work for projects that will advance quality of life outcomes for communities of color, such as quality education, living wage employment, healthy environments, and transportation;
 - Facilitation of development-related efforts in partnership with a community organization whose primary mission is to serve communities of color;
 - Planning or pre-development for projects that will serve a specific neighborhood or geography with a high percentage of residents that are people of color;
 - Planning for public and private developments, investments, programs and policies that will be enacted to meet the needs of communities of color and reduce racial disparities, taking into account past history and current conditions.
- 25% of funds will be targeted for projects to facilitate development in centers, corridors, station areas, and employment areas
- In the event that there are not sufficient strong applications in any target area, grant funds may be allocated to other types of applications.

The explicit equitable development emphasis for grant investments will continue to encourage cities and counties to prioritize project applications that specifically address racial inequities and affordable housing challenges in their communities. Metro staff will review applications that seek consideration under the equitable development category; those that do not have a sufficiently strong equitable development emphasis to merit funding in that category will be then be added to the general pool of applications for projects within the UGB, and evaluated alongside those applications based on their relative overall merits. The screening committee, the COO, and the Council will ultimately need to bring their own

professional judgment and common sense to applying the criteria, allocating resources from each funding target and determining what projects best meet all criteria, including regional policy priorities and equitable development objectives, and therefore warrant funding. The 2040 Planning and Development Grants application handbook will address the above nuances and provide adequate clarification for applicants.

Proposed 2018 Administrative Rule Revisions

The Metro COO has approved revised rules (Exhibit A to the resolution) to be used to guide this cycle and future grant cycles of the 2040 Planning and Development Grant program. The changes can be summarized as follows:

- Under Section IV.A, updated item 5 to reflect the results of Cycle 5, updated item 6, to reflect the investment targets proposed in this resolution, and updated items 7 and 8 to indicate that investment targets for those cycles will be determined prior to initiation.
- Under Section IV. C, Range of Eligible Grant Project types, added base requirement for eligibility such that all projects must help to advance established regional policies as expressed in the 2040 Growth Concept, the Urban Growth Management Functional Plan, and the six Desired Outcomes stated in the Regional Framework plan (this was previously a grant evaluation criterion under section E.)
- Under Section IV.E, Grant Evaluation Criteria, changed criterion number 2 “Advances and complements regional goals and policies” to focus on racial equity.
- Under section IV.G, revised and clarified the process steps for executing inter-governmental agreements for grant projects.

Additional administrative measures to advance racial equity

In addition to the equitable development investment target and the proposed revision of the grant evaluation criteria to specifically include a criterion addressing racial equity, staff will continue to integrate other equity-focused measures into the 2040 Grant program by:

- Ensuring that diverse perspectives are represented on the Grants Screening Committee;
- Providing training for all applicants and grantees on racial equity
- Ensuring that all grant recipients incorporate best practices for public involvement as they implement their grant projects
- Requiring that Requests for Proposals for grant project consultants incorporate racial equity into the evaluation criteria.

ANALYSIS/INFORMATION

1. Known Opposition

It is possible that there may be opposition to some of the proposed program adjustments, but all recommended changes are in alignment with Metro's stated policies and goals.
