### Your testimony

I am writing in support of Terri Preeg Rigsby for Metro Council District 6.

I am a nurse at OHSU and have lived in the Metro area for over 13 years and during that time I have seen many changes; many of them positive, but many that have affected this city and community in a negative way.

We clearly need leadership at all levels of government to recognize what is not working, to come up with ways to fix the problems and to implement solutions in an efficient and equitable way.

I have known Terri since junior high school, and even then, she was always full of energy, enthusiasm and had little tolerance for injustice. She has always and an incredible ability to seek out solutions and to carry them through.

It has been a pleasure and honor to watch her flourish in her years working at the federal, state and

local levels to make this community more vibrant, healthy and inhabitable for all who live here.

On the local level, Terri has already done so much work in addressing issues that face all residents of this area, from environmental stewardship to working with underserved communities.

As we have seen recently, it is very easy to complain about things we don't like, but it takes a very special and dedicated person to seek out solutions and to collaborate with others to make positive change. I am certain that Terri is the person you need at Metro to make this a better community for all who are lucky to live here.

#### Your testimony

Dear Council president and members of council.

I'd like to recommend our president of the Vietnamese Community in Oregon, Thao Duc Tu, for the seat of Councilor Bob Stacey representing District 6 on the Metro Council. I'd known and working with Mr. Thao on many community projects for over ten years. His dedication, leadership skills, knowledge, integrity, and compassion for the community in state of Oregon was showed and well-known during those years (especially during the last couple difficult pandemic years).

I am confident that Mr. Thao will working well with all of you and fulfilled his duties to serve the people of this Metro with his best abilities.

Wishing you and your family are safe and well.

Respectfully,

Hung Nguyen

Dear Metro Councilors:

I write to enthusiastically recommend Thao Tu for the vacant Metro District 6 Councilor position. As his cousin, I have known Thao for almost 40 years, and have always known him to be a honest, trustworthy, diligent, hard working, smart, kind, nice and compassionate person. Thao is a strong leader, who is committed to giving back to the community, and has dedicated a significant amount of his time to doing volunteer work to help improve Portland and the lives of those in Portland's Vietnamese American community.

As president of the Vietnamese Community of Oregon, Thao has significantly helped improve the lives of people in the Vietnamese community -- which includes helping to lead the effort to get Vietnamese people in Oregon vaccinated against COVID-19. Thao is well respected and admired within the Vietnamese community. As an immigrant and refugee, Thao will bring a fresh perspective and insight to

the Metro Council. He would also represent the needs and interests of Metro's very large Vietnamese community.

I highly recommend Thao, without any reservations, for the Metro District 6 Councilor position. Please do not hesitate to let me know if I can provide you with any additional information about Thao.

#### Your testimony

I highly recommend Mr. Tu as our local council representative, as he is fully qualified to be the Metro Council Member representing the Vietnamese community in Oregon, to share our needs and concerns as Oregonians and not just the Vietnamese community. I have personally seen Mr. Tu volunteered his time and resources wholeheartedly and tirelessly to helping newly immigrated to Oregon filling out paperwork for immigration papers, housing, medical, food stamps, job search, transportation. Those who have lived in Oregon for sometimes, still go to Mr. Tu for legal and social issues and just about anything that comes up. The community voted for Mr Tu to be our community President since 2015, because he didn't a title to serve. Mr. Tu seres for many decades before becoming our President. Mr. Tu has organized many events to bring the Vietnamese people together for fun, for educational events, to help the homelessness community, for social events celebrating our Vietnamese traditions. Since, the pandemic, Mr. Tu has gathered people together to make masks and give the masks to those in need, like the Providence hospital staffs. We are so proud to have Mr. Tu as our president and I believe that with Mr. Tù's as our Council Member, representing the Vietnamese community so that, the State would recognize that as a community, we do care and we want to be a part of Oregon Diversity

Inclusive movement. Lastly, I do appreciate for the opportunity to provide comments for Mr. Tu.

To Whom It May Concern:

I am writing this recommendation letter for Thao Tu. I have an opportunity to work with Thao Tu for many years at Van Lang Vietnamese school. I also served two terms as Vice President alongside with Mr. Tu as President for the Vietnamese Community of Oregon. Mr. Tu is a loving husband and a great father to his children. He works very hard to improve people's lives in the communities. He works long hours to make sure goals and projects get done on time. His strong willingness to get things done have motivated others around him to work harder in improving people's lives. Every year, Mr. Tu works with organizations to raise money in helping homeless people, feeding the hungry and providing warm clothing for those needing help. For many years, Mr. Tu also volunteered his time working for Van Lang Vietnamese school as a teacher. His teachings are very quality. He motivates kids to stay in school, work hard to achieve their goals and prepare them for a better tomorrow.

Thank you for taking your time reading my letter.

Sincerely,

Francis Pham

His commitment as president of the Vietnamese Community of Oregon is proof. As president, Thao has helped hundreds of the most vulnerable members of his community receive the COVID-19 vaccination by signing them up. This is not only limited to members of the

#### Your testimony

I am writing in support of Mr. Thao Tu for the position of Metro Council District 6. I have worked with Mr. Tu as a volunteer to vaccinate under-served community members. I have witnessed first hand Mr. Tu's untiring dedication to promote and bring the Covid vaccine to every member of the community. He has a full time job, yet he utilizes every available free moment outside of work to organize and bring vaccination clinics to the community, as well as outreach to members of the community, especially the elders and those without resources to community news.

I have also seen Mr. Tu going beyond normal effort to help members of the homeless community to find resources and to be healthy during the pandemic. He is caring, hard-working, and a natural born leader with a special connection to the community. Members of the community who he has worked with or has helped bring resources to, they trust and have the highest admiration for him. All those qualities are very important for a public leader at this time and I am confident Mr. Tu is someone who will be able to deliver positive change to the community.

I support the appointment of Terri Preeg-Riggsby for Metro District 6. She and I have served together for many years as elected board members for the West Multnomah Soil & Water Conservation District, and I can tell you that she is excellent in that role. She is a sharp, thoughtful person and is very good at listening, sorting through issues and making decisions. She is very good in a meeting, especially at keeping things on track. As a former Metro Employee (a manager at the Oregon Zoo) I am very aware of what one would do as Metro Councilor, and could tell you that Terri woulda be excellent.

Hi,

I'm a resident of NE Portland and I just wanted to voice my concern for expanding lanes of the highway. I love our current public transportation system and feel investments should be made there, which is both efficient and sustainable for humanity. Expanding lanes is incredibly harmful to the environment and putting an expensive bandaid on an issue every single one of us knows deep down is damaging and needs to be made obsolete. Thank you for your time!

Re: Appointment for Vacancy on Metro Council - District 6

I am grateful for the opportunity to apply to the vacant position on the Metro Council. Ahead of your vote on Tuesday, I wanted to provide you a list of endorsements and quotes from endorsing community members across the region.

I look forward to the appointment hearing on Tuesday.

"Duncan is hard-working, visionary, and a true public servant. I've watched him work behind the scenes for years to advance affordable housing and transportation justice. Duncan's leadership helped turn an abandoned furniture store on the corner of 82nd Ave into a community center with 48 units of affordable housing on top. In this time, we need leaders who can turn community visions into actual projects on the ground, using all the tools in our local government toolbox. District 6 needs an experienced leader like Duncan to address the critical needs of our region."

-State Representative Khanh Pham

"The role of regional decision makers in shaping our future is as important as ever. Duncan has a grounding in community and proven leadership skills that are needed to steward a future that's just, equitable and with opportunities for all"

I look forward to working with him on Metro Council to address the many issues facing our region." —Ashton Simpson, Pedestrian Advocate & Candidate for Metro District 1

"Representation matters. I was grateful to work with Duncan to help secure funding for 82nd Ave and know that leaders coming from community bring an invaluable perspective . As transportation commissioner, we need voices like Duncan at Metro to help the region prepare for the land use and transportation opportunities ahead."

I'm proud to endorse Duncan for Metro Council."

-Portland Commissioner Carmen Rubio

"Duncan Hwang has been fighting for our communities for the past 9 years as an APANO staff member. He has worked with Metro in the past, serving as a founding member of Metro's Committee of Racial Equity to guide the implementation of their racial equity strategies. He was a key player in pressuring regional transportation agencies to fund safety improvements along 82nd Avenue following a series of pedestrian deaths. Hwang also coordinated the organization's vaccination campaigns and rental assistance through the pandemic, and has served on several Metro equity, housing, and planning committees. APANO is excited to support Duncan Hwang in the appointment for Metro Council District 6 because of his track of record of bringing real benefits to our community"

long truong	97213	Metro in the extreme boundaries of our urban growth boundaries are doing well. Metro needs to focus on it's core and see that it is unraveling. **Appointment Questions** 

- 1. Why are diversity, equity, and inclusion important for any government agency and for Metro specifically?
- 2. Metro's role in the areas of Affordable Housing and Supportive Housing Services is relatively new. How do you see us continuing in this work and why is Metro's involvement in this work important?
- 3. If appointed, how do you intend to approach communicating with the people your district?
