Staff Response:

Urban Growth Management Functional Plan Title 11: Planning for New Urban Areas requires that new urban areas be annexed into the Metro District Boundary prior to urbanization of the area. The City of Wilsonville adopted the Frog Pond Area Plan in 2015. As a follow-up to the area plan and in anticipation of forthcoming development, Wilsonville adopted the Frog Pond Master Plan in July 2017. The subject properties are in the process of being annexed to the City of Wilsonville. Thus the affected territory was subject to measures that prevented urbanization until the territory is annexed to the city and any necessary service districts.

3. *The proposed change is consistent with any applicable cooperative or urban service agreements adopted pursuant to ORS Chapter 195 and any concept plan.*

Staff Response:

The subject property is part of the Frog Pond Area Plan adopted by the City of Wilsonville in 2015 and the Frog Pond West Master Plan adopted by the City in 2019. The proposed annexation is required by Wilsonville as part of a land use application and is consistent with the area plan and master plan. Thus the inclusion of the property within the Metro District is consistent with all applicable plans and agreements.
