The Commission will conduct a hearing on May 26, 2022 for the purpose of receiving information from the public regarding the Council's approved budget. BACKGROUND

The actions taken by this resolution are the interim steps between initial proposal of the budget and final adoption of the budget in June. Oregon Budget Law requires that Metro approve and transmit its budget to the Multnomah County Tax Supervising and Conservation Commission (TSCC). Members of the TSCC are appointed by the Governor to supervise local government budgeting and taxing activities in Multnomah County. The TSCC will hold a virtual public hearing on Metro's budget on Thursday, May 26, 2022 at 12:30 p.m. Following the meeting, the TSCC will provide a letter of certification for Metro's budget. The Council's adoption of the final FY 2022-23 budget is currently scheduled for Thursday, June 16, 2022.

Oregon Budget Law requires the Budget Committee of each local jurisdiction to set the property tax levies for the ensuing year at the time the budget is approved. Under budget law the Metro Council sits as the Budget Committee for this action. The tax levies must be summarized in the resolution that approves the budget and cannot be increased beyond this amount following approval. Metro's levy for general obligation debt reflects actual debt service levies for all outstanding general obligation bonds. The levy authorization for FY 2022-23 also includes the 5-year local option levy for Parks and Natural Areas support, which was renewed by the voters in November 2016, as well as the levy for Metro's permanent tax rate for general operations.
