3.07.1427 Mid-Cycle Amendments - Procedures

- (a) The Metro Council may consider a mid-cycle amendment to the UGB for residential needs between legislative UGB amendments, as provided in ORS 197.299(6). Cities may initiate a mid-cycle amendment to the UGB for areas adjacent to the city by filing a proposal on a form provided by Metro.
- (b) The COO will accept proposals from cities for mid-cycle UGB amendments during the period that is between 24 and 30 months after the date of the Council's adoption of its most recent analysis of the regional buildable land supply under ORS 197.296.
- (c) The COO shall provide written notice of the deadline for proposals for mid-cycle amendments not less than 90 days before the first date proposals may be accepted to each city and county within the Metro region and to anyone who has requested notification.
- (d) Proposals must indicate that they have the support of the governing body of the city making the proposal.
- (e) As part of any proposal, the city shall provide the names and addresses of property owners for notification purposes, consistent with section 3.07.1465.

- (g) The proposing city shall provide written responses to the criteria listed in 3.07.1428(b).
- (h) Proposals from cities under this section shall be initially reviewed by the COO and the Metro Planning Department. - (i) The Metro Council is not obligated to take action on proposals submitted by cities or on the recommendation of the COO. If the Council chooses to expand the UGB in accordance with one or more of the proposals, it may add no more than 1000 acres total.
- (j) If the Council elects to amend the UGB under this section, it shall be accomplished by ordinance in the manner prescribed for ordinances in Chapter VII of the Metro Charter. 3.07.1428 Mid-Cycle Amendments - Criteria

- (a) In reviewing city proposals for mid-cycle UGB amendments, the Metro Council shall determine whether each proposal demonstrates a need to revise the most recent analysis of the regional buildable land supply as described in ORS 197.299(5). The Council's decision shall include consideration of:
 - (1) Need to accommodate future population, consistent with the most recently adopted 20-year population range forecast; and
 - (2) Need for land suitable to accommodate housing and supporting public facilities and services, schools, parks, open space, commercial uses, or any combination thereof.
- (b) If, after revising its most recent analysis of the buildable land supply under paragraph (a) of this subsection, the Council concludes that expansion of the UGB is warranted, the Council shall evaluate those areas that have been proposed by cities for possible addition to the UGB. Any expansion(s) under this section may not exceed a

total of 1000 acres. Cities proposing mid-cycle UGB amendments shall demonstrate that:

- (1) The city has an acknowledged housing needs analysis that was completed in the last six years and is coordinated with the Metro regional growth forecast and population distribution in effect at the time the city's housing needs analysis or planning process began;
 - (2) The housing planned for the city's proposed UGB expansion area is likely to be built in fewer than 10 years. As part of any proposal, cities must provide a concept plan that is consistent with section 3.07.1110 of this chapter. Cities may also provide evidence of property owner support for the proposed UGB expansion, and/or other evidence regarding likelihood of development occurring within 10 years;
 - (3) The city has demonstrated progress toward the actions described in section 3.07.620 of this chapter in its existing urban areas;
 - (4) The city has implemented best practices for preserving and increasing the supply and diversity of affordable housing in its existing urban areas. Such practices may include regulatory approaches, public investments, incentives, partnerships, and streamlining of permitting processes; and
 - (5) The city has taken actions in its existing jurisdiction as well as in the proposed expansion area that will advance Metro's six desired outcomes set forth in Chapter One of the Regional Framework Plan.
- (c) The land proposed for UGB expansion must be a designated urban reserve area.
- (d) Mid-cycle UGB amendments made under this section are exempt from the boundary location requirements described in Statewide Planning Goal 14.
