**WORK SESSION PURPOSE & DESIRED OUTCOMES**

Purpose: Provide cities with an opportunity to brief the Metro Council about their proposals for the 2018 urban growth management decision.

Outcome: The Council is familiar with city proposals for the 2018 urban growth management decision.

**TOPIC BACKGROUND & FRAMING THE WORK SESSION DISCUSSION**

In early 2017, the Metro Council approved a work program for making a growth management decision in 2018. At Council's direction, the 2018 decision will be conducted differently than in the past, with an emphasis on an outcomes-based approach and a focus on the merits of city proposals.

Staff anticipates that four cities – Beaverton, Hillsboro, King City and Wilsonville – will submit urban growth boundary expansion proposals by the May 31, 2018 deadline. Those materials will be made available in early June. In their proposals, cities are expected to address a number of requirements (such as having a concept plan for the proposed expansion area) and factors adopted by the Council (addressing topics like housing affordability, removal of barriers to mixed-use development, and equity). Please refer to the attached administrative guidance for more information about those expectations.

With this new approach, cities will describe, not only the proposed expansion, but also the actions they are taking elsewhere in their jurisdiction to manage growth. At the June 12 work session, two cities – Hillsboro and King City – will present their proposals to the Council. Beaverton and Wilsonville will present their proposals at the June 19 work session.

As previously discussed by the Council, Council President Hughes will convene a City Readiness Advisory Group (CRAG) in June to assist with reviewing city proposals. CRAG will include private sector experts in affordable housing, parks planning, residential and mixed-use development, multimodal transportation, and equity. CRAG members will use their expertise to identify the strengths and weaknesses of city proposals. CRAG will summarize their feedback for MTAC, MPAC, and Council in July 2018.
