

Metro Ordinance No. 18-1426 – Exhibit A

CHAPTER 5.00

SOLID WASTE DEFINITIONS

5.00.010 Definitions

For the purposes of Title V Solid Waste, unless the context requires otherwise, the following terms have the meaning indicated:

Significant disruption means an event that disrupts access to a transfer station, creates increased risk to human health or the environment, or impacts the normal operations, transportation routes or established system of a waste hauler or a transfer station. A significant disruption event may be caused by system disruptions (such as long term road repair or closures or facility construction) or natural forces (such as severe weather, flood, landslide or earthquake).

Tonnage allocation means an amount of the region's putrescible waste that Metro grants to a private transfer station.

Transfer station wasteshed means the area surrounding one or more transfer stations that is more immediately accessible to those transfer stations than any other transfer station, based on travel time.
