

## ITEMS FOR CONSIDERATION - Comments on Draft Regional Transportation Safety Strategy (by chapter)

#	Chapter or Appendix	Last name	First name	Affiliation	Date	Method	Proposed change identified in comment (changes shown in <del>strikeout</del> and <u>underscore</u> )	MPAC and JPACT recommendation (changes shown in <del>strikeout</del> and <u>underscore</u> )
340	Regional Safety Strategy Foreword	Grisham	Elka	Community member	7/13/18	Email	Change photo on page 7 to show bicyclist with a helmet (current photo has bicyclist not wearing a helmet)  "Seems like you could send an important message with a different picture that encourages people to use proper safety gear while riding bicycles."	Amend as requested.
341	Regional Safety Strategy Chapter 1	Marek	Joe	Clackamas County	8/15/18	Email	(Page 16) Recommendation to revise sentence to say "...the strategy should be dedicated to all persons who have been killed or seriously injured while using the transportation system in the greater Portland region."	Amend as requested. For consistency, the term "traffic violence" was also updated in the third paragraph on page 16, and on page 44 of the Regional Transportation Safety Strategy.
341	Regional Safety Strategy Chapter 4	Sallinger	Bob	Audubon Society of Portland	8/3/18	Letter	(Ch. 4, section 2, strategy 2.7 of strategy 2 actions table) Recommendation to develop a "dark sky" policy to guide both Metro's policy decisions and management of its own properties in order to avoid unnecessary light pollution in region.  "We appreciate and support the statement in the illumination strategy...lack of real standards for lighting across the Metro region has unnecessarily allowed light pollution to proliferate not due to conflicting objectives but rather due to lack of careful consideration."	No change recommended. While it is beyond the scope of the Regional Transportation Safety Strategy and RTP to define a "dark sky" policy for the region, minimizing light pollution has been identified as a potential mitigation strategy in Chapter 3 of the RTP in support of RTP Goal 6.
342	Regional Safety Strategy Chapter 1	Marek	Joe	Clackamas County	8/15/18	Email	(Page 22) Recommendation to omit "or near zero" in the first sentence of the first paragraph. We should never waiver from our goal of Zero.	Amend as requested.
343	Regional Safety Strategy Chapter 1	Marek	Joe	Clackamas County	8/15/18	Email	(Page 25) Recommendation for "Safe Speeds" paragraph to consider threading in a reference to kinetic energy transfer as you discuss physical limitations of the human body.	Amend as requested. The following sentence will be added: <u>"When speed increases, the risk of a crash and of its severity increases as well. The severity of a crash follows from the laws of physics. At higher speeds, the kinetic energy released in a crash increase with the square of the speed and the changes of speed experienced by those struck by or occupying the vehicles involved increase with speed."</u> Reference to the following report will be added: "Speed and Crash Risk Research Report. International Transport Forum and International Traffic Safety Data and Analysis Group (2018).
344	Regional Safety Strategy Chapter 1	Marek	Joe	Clackamas County	8/15/18	Email	(Section 2.5, Page 50) Recommendation to replace "stretches" with "segments" in the first sentence.	Amend as requested.
345	Regional Safety Strategy All Chapters and Appendices			Metro staff	8/21/18	n/a	Miscellaneous technical corrections, copy edits, table and figure numbering corrections and add missing information	Amend as requested.

---

**346** *Other comments and recommendations will be added from the RTP document comments and recommendations in Exhibit C to Ordinance No. 18-1421, as appropriate.* Amend as requested.
