Two members of the Metro Technical Advisory Committee (MTAC) are stepping down, and two new members have been nominated to fill these seats. These nominations require MPAC approval.

Jeff King with the City of Forest Grove has been representing Public Economic Development Organizations, and has asked to step down because of ongoing scheduling conflicts. The nominee selected to fill the position as primary member is Lloyd Purdy, Vice President of Regional Competitiveness with Greater Portland, Inc.

Jon Makler, Oregon Department of Transportation (ODOT) Region 1 Planning Manager, will be taking an extended leave of absence starting June 2019, and the Oregon Department of Transportation has nominated Melanie Ware, Acting Region 1 Planning Manager, to fill the primary member position representing ODOT.
