**Notes and Summary of Changes:**

- > Red font = prior amended funding or project details. Blue font = amended changes to funding or project details. Black font indicates no change has occurred.
- > Formal Amendment reason: Limits Change @1.31 miles > 0.25 miles and Cost change @ 21.7% > 20% threshold

**Amendment Summary:**

The formal amendment adds funding to the project enabling the limits to be increased by 1.31 miles. The project name and descriptions are updated to reflect the revised limits which are now NW Kittridge to NW Bridge. The project costs increases (construction phase) from adding the new funding and equals a revised total project cost of \$11,585,704. This represents a \$2,067,000 increase to the project which reflects a 21.7% increase to the project and is above the 20% threshold. The ROW phase is updated with based on actual phase obligations. Overall, the project still remains an active transportation focused improvement.

- > Will Performance Measurements Apply: Yes - Safety

**RTP References:**

- > RTP ID: 12095 - Safety & Operations Projects
- > RTP Description: Projects to improve safety or operational efficiencies such as pedestrian crossings of arterial roads, railroad crossing repairs, slide and rock fall protections, illumination, signals and signal operations systems, that do not add motor vehicle capacity.
- > Exemption Status: Project is an exempt, non-capacity type project per 40 CFR 93.126, Table 2 - Air Quality - Bicycle and pedestrian facilities.
- > UPWP amendment: Not applicable & not required
- > RTP Goals: Goal 3 - Transportation Choices
- > Goal 3.2 Active Transportation System Completion
- > Goal Description: Complete all gaps in regional bicycle and pedestrian networks.

**Fund Codes:**

- > STP>200 = Federal Surface Transportation Program funds appropriated to the states with a portion allocated to the MPOs. This funding pot requires their commitment and use in urban areas.
- > ADVCON = Federal Advance Construction funding. These funds act as a placeholder for future federal funds to be committed. Until then, the State DOT commits state funds to over the costs. When the federal funds are available, a fund code conversion occurs to reflect the federal funds now committed to the project.
- > NHPP = Federal National Highway Performance Program funds. Appropriated to the State DOT for needed and eligible improvements on the National Highway system
- > State = General state funds used normally as the required match to the federal funds.
- > Other = General funds provided by the lead agency above the required match amount to support phase costs above the federal and match amount programmed.
