- Does the base budget represent a good investment in Council priorities?
- Do proposed modification requests advance Council priorities?
- Has the department demonstrated sufficient planning to successfully implement any new programs or projects?

POLICY OPTIONS FOR COUNCIL TO CONSIDER

Each department's modification requests may be considered for support and inclusion in the FY 2021-22 Approved Budget. Some, none or all of the department's individual items may be supported by Council.

STAFF RECOMMENDATIONS

The Chief Operating Officer and Chief Financial Officer recommend Council hear all the department presentations prior to determining their support for departments' modification requests.

STRATEGIC CONTEXT & FRAMING COUNCIL DISCUSSION

Each department's FY 2021-22 base budget was developed following the Chief Financial Officer's budget instructions released in early December. The base budgets allow the departments to continue existing programs and projects as adjusted for various factors such as inflation, COLAs, etc.

New programs, projects, additional appropriations and FTE are requested through the department's modification requests. Once approved the modification requests were built into the Proposed Budget scheduled for presentation to Council on April 15th.

- Legal Antecedents
